At the YMCA, we strive to make sure that every child's day brings about bigger and brighter achievements - but we can't do it alone! Your contribution to the Strong Kids Campaign ensures that area families and youth unable to pay are included in YMCA programs—programs that will teach them to embrace and demonstrate the values of caring, honesty, responsibility and respect.

The Strong Kids Campaign provides the following:

- Financial assistance for a toddler to attend our accredited pre-school program so Mom can work without worry.
- YMCA Summer Camp scholarship which allows a low-income child to have a summer of fun, challenge and self-discovery.
- Free or low-cost after-school programs, with the chance to make new friends and strengthen values.
- Offers at risk youth and their families
