Tournament Entry Information

Our History

PGA Tour Player Jerry Kelly asked local PGA Tour Rules Official Mickey Bradley how he could help the Gulf Coast after Katrina. Mickey grew up on Biloxi's Point Cadet and the idea came to raise funds to build homes in this ravaged area. Jerry Kelly invited 19 PGA Tour Players to play with 3 lucky golfers and each tour player brought some of their golf equipment for prizes. It was a huge success and three families are moving in the new homes prior to this year's event on November 5th. Special thanks to last year's supporters – especially 84 Lumber.

While Pro-Ams on the PGA Tour cost around \$5000 per player – each player can play in this event for a fourth the cost and all monies raised will go directly to Habitat for Humanity of the MS Gulf Coast. Habitat will donate 10% of the entry fee back to Junior Golf Programs managed by the Gulf Coast Golf Foundation. Tournament Chairman, Mickey Bradley, hopes to raise more money this year and keep the momentum going and build needy families homes. Come play with PGA Tour Players and help the Coast rebuild.
