ELIGIBILITY: This tournament is open to any male amateur who has reached his 55th birthday by midnight of September 8 and is a member of a member club of the Maryland State Golf Association with an appropriate up-to-date USGA Index at a licensed club as of July 1. See COMPETITION below for handicap limits for the championship and net winner competitions. The Handicap index must be at the member club shown on the entry form, must be current on the date of the event and must be viewable on the verification site of www.msga.org. Any entry may be rejected by the MSGA at any time, including during the competition. The reason for rejection of entry may include unbecoming conduct, such as violation of host club policies, or failure to comply with the requirements of the handicap system.

COMPETITION: The championship competition will be 36 holes stroke play, with the field reduced to the low 24 scores and ties after the 1st round. There will be two age categories Senior (55-64) and Super Senior (65 and over). The championship index limit is 8.4. The Champion will be the low gross 36 hole score in the field. Also, the winners in each age category will be based on 36 hole results. The net winner competition will be 18 holes stroke play conducted over a shorter course with two age categories and an index limit of 18.0. The date of the most current Handicap Index to be used for the tournament will be established by the Committee. All Handicap Indexes will be adjusted according to the slope rating of the course being played. Each entrant must select EITHER the championship or the net winner category and indicate his age group.
