

NAJG SPECTATOR CART POLICY

North American Junior Golf (NAJG) overall concern is the quality of our competitions. Golf carts have become a reality in modern golf and it is our goal to create an environment where golf carts pose as little interference and detriment to competitions as possible.

Golf carts pose a potential distraction to players, may physically interfere with play and damage the golf course. For these reasons, NAJG has adopted the following spectator cart policy regarding the use of golf carts during our events.

This policy is subject to change and is being administered on per-event basis. Please note that you take full responsibility for your actions while operating a golf cart that is property of the golf course. The host golf course staff or North American Junior Golf has the right to remove the golf cart from the golf course at any point in time and for any reason.

- Carts must remain on the cart path at all times, being mindful to not interfere with play of the players in the competition.
 - Our Caddie Policy DOES allow caddies to proceed using a cart. Caddies in carts are allowed off the path as long as the host club is not on a Cart-Path-Only basis for that day.
- Golf cart rental fees are on a per seat basis, at the discretion of the host club.
- NAJG Tournament Staff and Rules Officials take first priority in the use and availability of carts. The rental of golf carts to spectators is based on first-come, first-serve availability; at the sole discretion of the host club.
- Spectators renting carts will assume the role of a shuttle assistant in the event of a weather emergency. If play is suspended for a dangerous situation such as lightning, the driver will assist in the evacuation of players from the golf course.
- It is our general policy to allow players to shuttle in a cart from green to the next tee; which is in effect unless specifically removed for that particular event.
- Golf carts must be returned to the clubhouse and the key turned into the golf shop upon conclusion of the round of the group you are following.
