Host Site Facility Form

To request your facility for a CNY PGA event, please complete the form following the memo. Below are the requirements for hosting a section event. Eligible facilities must employ a PGA Professional.

All section events shall adhere to the following requirements unless approved by Committee and host facility:

- No more than 32 foursomes, or fivesomes for special charity pro-ams only
- The section will publish entry information and the tournament date after approval is received from the Tournament Committee.
- PGA members' entries will be accepted first, followed by Associates and Pre-Associates per the priority registration policy established.
- The host facility must secure an appropriate number of golf cars for the event.
- The host facility must have reception accommodations for 128 players.
- The CNYPGA will pay all expenses, including professional monies and club expenses.
- The host professional will assist the CNYPGA staff in course set up and general tournament administration.
- The host professional will have the option of receiving a stipend of \$125 or deducting \$125 from their entry for hosting a CNYPGA Section Event. *(Subject to Change)*
