- The facility may have policies in place for reducing contact while players remove their golf balls from the holes. Options may include but are not limited to;
 - During Immediate Suspensions (such as when there is imminent danger from lightning), shuttles will be utilized to retrieve players from the course. We will prioritize the safety from imminent danger over the recommended social distancing guidelines.

AFTER YOUR ROUND

**In order to ensure that we are limiting as many touch points as possible, all players will be required to have the Bluegolf app on their cell phones. To install the app, go to the app store on your mobile device and search for “Bluegolf” and then install it on your phone. For anyone who does not have a cell phone or if no one in your group has a cell phone, those players will follow the procedures for using scorecards below:

Scoring

- There will be a scoring area outside near the 18th green or clubhouse when possible.
- Once scores are confirmed, sign your scorecard and leave the card at the scoring table.

E-Version Scoring

- Players will be responsible for keeping a fellow competitor's score. It is recommended that one player in the group be designated to keep everyone's scores. It is the group's responsibility to designate the score keeper.
- It is imperative that you verify all scores before you tee off on the next hole as you will not be allowed to conjugate at the completion of play.
- One player from each group will go to the scoring area to confirm that the scores are correct for the group (the only exception is if there is a ruling to be made).

Paper Scorecards will not be provided unless you are unable to utilize the app, if this is the case, please contact Brittany Siechen prior to your tee time

FAQ:

Q: If I have a birthday during the tournament season, in which age group do I participate?

A: Your age is as of the Junior Tour Championship of that given season. You will then be able to play in the same age group for the entire season and be ranked accordingly.

Q: Can my child play up in a division if we feel their playing ability warrants?

A: During the season, no. The CNY PGA Junior Tour is open to juniors ages 9-18 to participate and earn points in events around Central New York. The CNY PGA Junior Tour is designed to categorize all participants by their ages as of the last day of the season, being the Junior Tour Championship. Their age division is based on their age as of that date, not the player's playing ability.

EXCEPTION: If a player's ability is above their age, a formal request must be sent to Player Development Director Brittany Siechen PRIOR to the start of the season for formal review and vote from the Player Development Committee. It is strongly recommended that a PGA Professional send a formal request to Player Development Director Brittany Siechen on behalf of the athlete to move up in a division, prior to approval.

Entry Deadlines

All entry deadlines for each CNY PGA Junior Golf Tour will be indicated on the official web site. Juniors must register for an event 5 days before the tournament date. Spectator Guidelines:

- Parents are more than welcome to follow their children around the golf course, however any interaction between spectators and children are unacceptable and could result in disqualification.

*Please see below our guidelines. *

1. Advice (Rule 10.2) is any verbal comment or action that is intended to influence you or another player in choosing a club, making a *stroke*, or deciding how to play during a hole or round. In addition, any conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is two strokes. Players are responsible for the actions of their relatives and spectators regarding this rule.
2. Keeping the above statement in mind, please keep your conversation with the player to words of encouragement if advice is not given.
3. Spectators attend CNY PGA events at their own risk.
4. Please silence your cell phone while at CNY PGA events or abide by the Host Facilities policy, whichever is stricter.
5. Spectators should stay on cart paths. In the absence of cart paths, we ask that spectators stay in the rough. Please stay off fairways, tees and greens.
6. Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where the ball comes to rest. Spectators are allowed to aid in the search for lost golf balls.
7. Spectators should not give rulings. Please seek a CNY PGA rules official or Tournament Director if the need arises.
8. Spectators are allowed to carry medicine, umbrellas, etc.
9. The CNY PGA will not tolerate poor behavior at the host facility.
10. All spectators are expected to carry themselves as ladies and gentlemen at all times.
11. Any spectator or caddie exhibiting negative behavior directed towards other spectators, caddies, players, course staff, or CNYPGA staff will be subject to IMMEDIATE REMOVAL FROM THE HOST FACILITY.
12. Any spectator found to be disrespecting the host facility in any way, will be subject to IMMEDIATE REMOVAL FROM THE HOST FACILITY.
13. Any spectator or caddie that we find to be swearing, yelling, or exhibiting any kind of disruptive behavior will be subject to IMMEDIATE REMOVAL FROM THE HOST FACILITY.

This applies for every tournament the Central New York PGA Administers.

The CNYPGA Tournament Committee, based on severity and frequency of the violation(s), may do one or more of the following:

- Issue a warning.
- Remove the spectator from the host facility and ban them for the remainder of the event.
- Depending on the severity of the violation, a spectator is also subject to possible suspension from future events for either a set number of events or indefinitely as well as their players membership being suspended indefinitely.

The CNYPGA reserves the right to ban a spectator from any/or all events at their discretion, for a serious breach of the CNYPGA Code of Conduct. A spectator's violation of this code of conduct is not limited to the current round but may include repeated offenses from tournament to tournament.

- Safety is our top priority while running our Junior Tour events. If at any point a spectator is acting inappropriately around any players (such as harassing, videotaping, intimidating, swearing, etc.) before, during or after the event. The tournament official has the right to ask the spectator to leave that group of players, remain at the clubhouse or to leave the property, in order to protect or make players feel more comfortable and safer.
- No advice is to be given during the round. "Advice" is any counsel or suggestion, which could influence a player in determining his play, the choice of club or the method of making a stroke. (See USGA Handbook)
- You may follow but no interaction with any player is allowed. No spectator is allowed on any greens, tee boxes or fairways.
- Parents will not make any rulings. If the players are in doubt of a ruling, they can play two balls. Before confirming/signing their scorecard, they can come to the committee to talk about the situation.
- If you are unable to follow these guidelines, then we will ask you not to follow your son or daughter.

Spectators are "outside the ropes" only.

Care for the Golf Course:

All players are expected to maintain, as well as improve, the condition of the golf course by replacing divots, repairing ball marks, raking bunkers (if rakes are made available), picking up and disposing of trash, etc.

Individuals with Disabilities:

The Central New York PGA Junior Golf Tour strongly supports and encourages individuals with disabilities to participate on the tour. We please ask that all guidelines from above be reached. For more information, please contact the section office at 315-446-5610.
