

## A FEW WORDS ABOUT US

### ABOUT THE FWWGA

Founded in 1931, the FWWGA is here to promote the interest in women's golf and to establish a spirit of good sportsmanship among its members.

### A Message from the FWWGA

*Greetings Ladies!*

*The FWWGA board would like to express their sincere gratitude for a great 2023 season! We are lucky to be able to be a part of an organization with such caring members! The FWWGA has an awesome group of hardworking board members, club representatives, tournament committee and junior representatives to keep the membership growing. We thank everyone for their participation in 2023 and are looking forward to the 2024 season!*

*We would once again like to congratulate the 2023 City Champions: Sarah Frazier, Sue Ekdahl, Jackie Raftree and Olivia Stroncsek. Congratulations also goes to the 2023 Marcy Griffin Spirit Award recipient Jannie Wyatt. More information on the City Tournament tab.*

*Finally, Congratulations to Coyote Creek GC...the 2023 Interclub Traveling Trophy Club Winners!*

*The 2024 Interclub Schedule and City Tournament details are being finalized. Dates and times will be posted when confirmed. More information to come on these association events.*

*\*Just a reminder: Interclub events are every other Friday beginning in April/May and continue through September/October. These events are a great way to meet new golfers and have a lot of fun with the contests we play. Our membership drive will begin soon, so join us for great fun this season!\**

We are always looking for new members to be a club representative; if your club does not have one listed, contact one of the board members and it's easy to become one!

*I'd give up this game, but I have too many golf sweaters! Bob Hope*
