

## **WHAT ARE THE FWWGA INTERCLUB EVENTS?**

Join us for handicapped team events at our area golf courses. Play with women from other Fort Wayne Clubs and make more friends! Within the annual FWWGA Interclub is an ongoing contest each season among the various Fort Wayne Clubs represented in the FWWGA. Women represent their courses while having some fun, challenging, yet relaxing golf.

The winning Club is presented the FWWGA Interclub Traveling Trophy to be displayed at their course. ***Congratulations to the 2023 Interclub Champions - Coyote Creek GC!***

## **HOW DO I GET INVOLVED IN REPRESENTING MY CLUB?**

FWWGA members must declare their Club Affiliation after their membership dues are paid and prior to the first Interclub event in which they participate. Players may not change their club affiliation after their first event. Dues: \$25

## **HOW IS THE INTERCLUB TRAVELING TROPHY WINNER DETERMINED?**

Following each event, the two lowest net player scores from each Golf Club represented are recorded. If two scores are not available for a Club, a net score of 85 will be used for the player(s) for that event. At the end of the Interclub Season, the Club with the lowest total wins the Traveling Trophy and keeps the Trophy in their possession for a period of one year.

## **HOW DO I JOIN FWWGA AND PLAY IN AN INTERCLUB EVENT?**

Women of all ages who are affiliated with a Fort Wayne, Indiana golf course are encouraged to become a member of the FWWGA and join in on the Friday morning events. This is a great way to represent your Fort Wayne course and maybe even bring home the Trophy for your Club!

Players must have an established handicap index verifiable via a recognized handicap service.

Ask your Club Pro how to establish a handicap, if necessary. Then go to the FWWGA Event Schedule (see upper right FWWGA tab on fwga.com) and click on the first Interclub event in which you wish to participate. If you have not already paid the annual FWWGA \$25 dues (your email is not recognized), the site will redirect you to join FWWGA and then you may register for the first Interclub event where you will declare your Club Affiliation for the year and provide your 8-digit iGolf handicap number or your current index. 8-digit iGolf handicap numbers need only be entered once either at membership registration or at Interclub Event registration. The iGolf number will follow the player automatically updating their handicap index throughout the season. Those keeping their handicaps via another service must enter their current index every time they register for an Interclub event.
