**IMPORTANT Handicap Info.** - If your handicap is kept via Indiana Blue Golf, there is an 8-digit iGolf handicap number attached to your name. The number is not required at membership registration but if you have it, enter it and your handicap index will follow you and automatically update throughout the season whenever you register to play in an event. This will save you extra time and effort and your pairings coordinator will thank you! Or you may enter the iGolf number as you register for the first Interclub event described below. Your iGolf handicap number appears in emails from Indiana Golf or you can ask your Club Pro to provide it to you.

For the few who keep their handicap out of state or via another service, at each event registration you must enter your current index. It will then be verified by the pairings coordinator. Juniors may estimate their index.

***We will emphasize the importance of entering accurate iGolf handicap numbers (and indexes as described above), as this greatly assists in the pairings process.***

**2024 Members:** 2024 adult members may register for the first Interclub event at Chestnut Hills on May 3 using the above link or by going directly to the home page of FWGA.com, where icons for each event appear. You'll see events for men and women at the above link or on the home page. Just look for FW Women or FWWGA and the golf course / date. It is here where Club Affiliation is required for Traveling Trophy and pairings assistance. There is a drop-down menu from which to choose, and the affiliation will follow you throughout the season. If you haven't entered your iGolf # or current index, do so now. Juniors are invited to register for June, July, and early August Interclub events.

Note: Unless announced otherwise, Interclub events will be open for registration one at a time - the day after the previous event - and will remain open until the Tuesday before the event. Expect no charge to your credit card for Interclub event registration. Greens/cart fees will be paid directly to golf course day of event.

Confirming emails follow Membership and Interclub Event registrations. Thank you for your support as we transition. Every FWWGA member is valued. If you need help, please be in touch with your Club Rep or a Board Member. We're here for you.
