## ILLINOIS PGA JUNIOR TOUR POINTS DISTRIBUTION

Junior Tour points are awarded to members based on their finish in relation to the rest of their division in each regular season event. Tier-1 points will be awarded for any regular season event, Tier-2 points will be awarded for the Junior Masters Championship only. The top point earners in each Division (Boys 14-18 and Girls 14-18) qualify for the season-ending Junior Masters Championship, after which the top point earner in each division will be crowned Player of the Year.
