Iowa Section PGA administered tournaments are those in which professional entries are limited to Iowa Section PGA members and registered associates in good standing. PGA members transferring into the Iowa Section that are not employed in an active PGA classification are not eligible to play in these events. All entries and payouts for these tournaments will be processed through the Iowa Section PGA office with assistance from PGA National. The Tournament Chairman, Tournament Manager, Executive Director and host professional shall have complete control over each Iowa Section administered event.

Any Iowa Section administered event must be held only at those courses where a Class "A" PGA Professional in good standing or a PGA Associate in good standing is employed. For any I-PGA administered event held during the normal golfing season (April through October), reference the BlueGolf Tournament Information Page for maximum field size.

All players in any Iowa PGA administered event must adhere to a proper dress code. Professionals must wear pants/slacks (no jeans) or knee length shorts. Amateurs must wear a collared shirt or a golf shirt adhering to the standards of the Iowa PGA. ARTICLE III. ENTRY POLICIES

Section 1. Entry

All entry fees must be received in the Section Office by the deadline printed on the online entry form to be considered for inclusion into the event. Registrations will be accepted over the phone; however, credit card information will not be accepted over the phone. To register over the phone a player must have a form of payment saved in BlueGolf prior to the registration deadline. If you are unable to contact an Iowa PGA staff member you may leave a detailed message stating your intent to register for an event prior to the registration deadline and they will return your call. Professionals may also register over the internet for various tournaments at <http://www.iowapga.com>.

All professional participants in all Iowa Section administered events will pay entry fees as follows and no entrant shall have any option to delete any of the entry fees.

- A. Team All-Pros: 60% of professional's entry fee for individual purse and 40% of professional's entry fee for team purse.
- B. Pro-Pros: 60% of professional's entry fee for low pro purse and 40% of professional's entry fee for team purse. All added money will go to the low pro purse (Open and Senior Divisions) unless otherwise stated. The tournament committee may elect to place any percentage of added money into the team portion of the event.
- C. In events where the Section Office controls amateur entries or the professional brings their own amateur(s), at least 75% of the amateur entry fee will go to the team purse.
- D. Due to the wide variety of tournament formats, the Tournament Committee and the Section Office reserve the right to adjust these entry fee regulations to better serve the intent or purpose of an event.

Section 2. Refunds / No Show Policies

Tournament entry fees shall be refunded minus \$10.00, only if the Tournament Manager or Executive Director is notified by telephone prior to the entry deadline date and time or process is done online. If a professional should withdraw from an event after the deadline date, they lose their entry fee. The entry fee will be forfeited except for extenuating circumstances.

The entry deadline is the Tuesday prior to the event (6 days) at 11:59PM unless otherwise stated.

In events where ground conditions do not allow the use of motorized carts, the golf professional and team have the option of playing or not playing. Those players withdrawing will be refunded. The payouts will be adjusted accordingly.

Any golf professional that commits to playing in any pro-am or pro-member conducted in the Iowa Section they must participate or notify the host professional regarding their withdrawal at least two hours prior to their scheduled tee-time. Failure to do so shall subject the individual to a \$100 fine. The collected fine will be distributed at the discretion of the Board of Directors.

Should a professional fail to appear, the amateur assigned to that team may compete and use the score of a drawn professional to assist in their team score. The drawn professional has the option to accept the higher award if both his teams finish in the money. The other prize will be redistributed through the winning pros in the team competition.

In the team competition, a player who pays only one entry fee may only collect one prize. A professional paying two entry fees is eligible for two prizes.

ARTICLE IV. TOURNAMENT FIELD

Tournament Field

A minimum of 20 professionals must be registered by the tournament entry deadline for the Iowa PGA to host an All-Professional Section Event.

If a full field of professionals, as determined by the host pro is not completed by entry deadline, that professional has the right to solicit eligible participants to fill the field. This applies only to the Pro-Ams in which the host club is responsible for the amateur field. In the event more professionals enter than there are spots available in a tournament subject to limited fields, the following method shall be used in filling the field.

- A. Only paid entries that are received in the office by the entry deadline will be considered.
- B. Tournament registrations are taken on a first-come, first-serve basis regardless of PGA Classification.
- C. All entries for double shotguns will be kept in order of receipt for each session as requested. Those entries received first will have priority.

Balancing a "Double Shotgun" Field

The Tournament Committee may utilize a "Field Balancing" policy to eliminate the lopsided fields that occur when there is a "Double Shotgun" format. The formula is designed to assist the Host Professional in carrying out their duties more efficiently. The formula takes the entire field and splits it into a 55% vs. 45% ratio with the higher percentage going to the shotgun with higher demand. Priority will be given to "Receipt of Entry" regardless of PGA Classification. Early entries will be rewarded.

Pro-Ams held at two different courses held at the same time will be treated as two separate minor point events. Players will be able to sign up for either event. Registration for these events would fall under the Double Shotgun Field Balancing outlined above. The field balancing would be in effect if the number of players registered for one of the host facilities does not meet the minimum number of players needed by the host professional.

ARTICLE V. RULES AND CONDUCT

Section 1. Rules

All IPGA administered events are to be played under the USGA Rules of Golf. Any deviation must be with the approval of the Tournament Manager and/or the Executive Director.

Any member professional who allows to be staged or stages a professional-amateur event or an open tournament or open invitational event or any other similar event at their club or course on a date which conflicts with any published Section-administered event may be suspended from membership for one year, unless the Board of Directors grants special exemption.

Any Participant that is found guilty of more than three offenses for conduct unbecoming a professional charge may, at the sole discretion of the Section, be permanently prohibited from participating in all Section, PGA of America tournaments and may be subject to PGA of America Code of Ethics charges. Notwithstanding the foregoing, the Section reserves the right to pursue Code of Ethics charges against any PGA Member/Associate Member for conduct charges related to the conduct of any Participant at Section golf tournaments and related events at the sole discretion of the Section in compliance with the procedures for Code of Ethics hearings as set forth in this Article II of the Bylaws.

E. Classes of Penalties for Section Tournament Offenses

Appeals from Minor Penalties shall be to the Tournament Committee Chairperson (or his/her designee). Such appeal may be in writing or oral. Such appeal shall be received by the Tournament Committee Chair no later than thirty (30) days after the infraction. The Tournament Committee Chair shall render the decision on appeal in writing within thirty (30) days of the receipt of the appeal and submit a final report to the Section Executive Director. The Section Executive Director shall submit this final report to the Association General Counsel. Such decision shall be final. Notwithstanding the foregoing, if the Section determines that it would prefer that a Minor Penalty shall be submitted to the Board of Control for a hearing in lieu of action by the Section, then the Section Board of Inquiry will follow the same procedures set forth herein for all matters submitted to the Board of Control for Code of Ethics procedures.

b. MAJOR PENALTIES.

Within thirty days from the date of notification of a Major Penalty, the Participant may submit a written appeal to the Section Board of Inquiry. Failure to file such an appeal shall be deemed conclusively to be an admission of the charges specified in the notification. Thereafter, the Section Board of Inquiry will prepare a report of the matter to the Board of Control and the

matter will be set for a hearing before the Board of Control in accordance with all applicable procedures set forth herein for ethics appeals heard by the Board of Control. The Board of Control shall hear the appeal either at the next regularly scheduled Board of Control hearing or at an expedited meeting that may be held in person or via conference call at the discretion of the Chair of the Board of Control. The decision of the Board of Control shall be final. An appeal shall operate to stay the effective date of any penalty, except suspension from a Section tournament then in progress or scheduled for the calendar week in which the alleged violation occurred, until after a final decision on the appeal. All fines must be paid within thirty (30) days from the imposition of the fine, or in the event of an appeal, within (30) days from the decision rendered by the Board of Control in the event the Board of Control upholds the findings of the Tournament Committee Chair.

ARTICLE VI. PAIRINGS

First round pairings in all Section administered events shall be made by lot unless requests are made. The Tournament Manager will attempt to accommodate all requests for non-Major Point Events and non-team events. In all multi-round stroke play tournaments, pairings will be altered for second round play. Second round pairings will be made based on the first round's scores.

ARTICLE VII. PURSE DISTRIBUTION

Section 1. Tournament Administration Charges

The Iowa Section PGA will deduct 5% of total entry fees for all tournaments processed through the Iowa Section office. This deduction will pay for credit card processing fees that the Section incurs. The Section will deduct \$3 per professional entered into the event regardless of how many divisions that professional has entered. This fee is to offset BlueGolf tournament software expenses. All purses are based on amount of entries. The office will retain all individual tournament winnings under \$5.00.

The Host Professional Pro-Am tournaments are open to all Class "A", Life Members, and registered associate members. Host Pro-Ams must have a minimum of \$3,000 added money to be considered for an Iowa Section sanctioned "Monday" event. There will be no team competition for the Professionals unless otherwise informed by the host professional. All Host-Pro Amateur events are 18-Hole Minor Point Events.

Once the desired number of players is reached all additional amateurs will be added to a waiting list. The desired number of Professionals will be determined by the host facility.

An official Host Pro Checklist will be emailed or faxed to each Professional prior to his/her tournament.

Section 1. Course Set-up and Preparation

Marking the Course

The course must be properly marked with paint on the ground. The course is to be marked by the host pro unless arrangements with the Tournament Manager have been made for him/her to mark the course. Markings include:

Penalty Areas – Paint on the ground

Ground Under Repair – Paint on the ground

Drop Areas – Paint on the ground

Out of Bound – White stakes or white stakes with paint on the ground

Hole Locations & Tee Settings

Hole locations and the quality of the field and nature of the tournament shall determine tee settings. Particulars to consider include, Pace of Play and entertainment of amateurs. Consult the Tournament Manager and Superintendent prior to setting the course.

Note: When setting the hole locations in a Pro-Am, the purpose of the event is to ENTERTAIN the AMATEURS. Please place all hole locations in the friendliest positions on each green. Iowa PGA Tournament Manager will contact course superintendent prior to the event to ensure the course is set up in a fair manner.

Pros and amateurs should play from the same tees. Only exception to this will be during all Pro-Am events – Senior amateurs 60 & older will play from modified tees that range from 5,800 – 6,000 yards.

Senior Female Amateurs (60 and over) will play from a forward tee compared to female amateurs (59 and under) and female professionals. This will only be in effect if the host facility has a tee closer than the normal female amateur and professional tee being used. If the facility does not have a tee available, then all female amateurs will play from the same tee.

Female Professionals who are playing in the event shall play the course at 85% of the distance that the male professionals play.

Male Course Distance Requirements for Minor Point Events

- b. Par 71-6300 yards

Condition of Course

The Host Professional, Host Superintendent and Tournament Manager will decide if the course is fit for play. "A Preferred Lies" ruling will be made by The Committee as a last resort to complete the round.

Guidelines:

A proper pick, clean and place will be used to substitute.

Preferred lies will be played in your fairway only. Any alteration of that must be announced before start of play.

Every effort possible shall be made by the host pro and superintendent to start, resume or complete play within the designated dates of the tournament.

Section 2. Discontinuance of Play

Due to circumstances beyond our control, if play is to be discontinued, the decision is to be made by The Committee administering the tournament. The delay signal is to be one long horn or siren blast. All competitors must mark their position on the course and may not resume play until authorized by The Committee.

DECLARING A WINNER

If completion of the tournament is not possible, the following regulations will be enforced:

- A. One-day Pro-Ams and opens started by tee times and shotgun:
If all have completed the same 9 holes, that 9-hole score counts. If the completed 9 holes are not the same, the tournament is washed out.
- B. If rescheduling is impossible in double shotgun events:
If one shotgun completes all or enough holes to declare winners and the other shotgun does not, those completing play will play for the proportional amount of the pot, and all other entries and sponsor monies will be returned. If one shotgun completes 9 holes and the other completes 18 holes then two separate pots are played for and all Player of the Year points are cancelled.
- C. Multi-day tournaments:
If play is discontinued the first day or any subsequent day of the tournament that is not the last day, all players shall return to their marked positions and continue play the next day. If time will not allow completion for the next day, that round will be a wash out. If play is discontinued the last day of the tournament, previous day's scores will determine the championship except that each 9 holes completed by all players the final day will be added to their previous scores.
- D. Iowa PGA Professional Championship:
36 holes must be completed to determine the Section Champion, and if not, the

tournament will be rescheduled. All holes counted toward the championship must be played by all contestants (no computing to par).
