Ginger Brown Lemm, PGA

I hope this message finds you well and that your holiday season is off to a wonderful start. As the new Player Engagement Consultant for the Midwest Section, I wanted to take a moment to introduce myself.

I have over 28 years of experience as a PGA Professional, having served as the Executive Director of The First Tee of Arkansas, Head Golf Professional, and NCAA Women's Golf Head Coach at Mississippi State University. My diverse background includes playing, player engagement, program development, team management, and recruiting. I am passionate about fostering growth within the game through my work in junior golf, tournament management, and community outreach.

In my role as Player Engagement Consultant, I look forward to collaborating with the Midwest Section and supporting PGA initiatives such as PGA Junior League, PGA.coach, and PGA Family Golf, among others. I am committed to enhancing these programs, supporting PGA professionals, and driving growth at all levels of the game.

I am excited to work alongside all of you and eager to support your initiatives to strengthen our section.
