Playing “UP”

A junior may “declare up” to a higher age division however they MAY NOT return to the younger division for the remainder of the season. When making such a decision, please keep in mind that the juniors who declare up will be competing against older players. A formal request **MUST** be made to the Jr Golf & Player Development Director to be presented to the Junior Golf Committee. A formal request has been made to the Jr Golf & PD Director and presented to the golf committee. The committee votes to allow the player to move up to the 12-13 division based on the supporting criteria presented by Player A’s family.

The New England PGA believes in and is committed to diversity, inclusion and gender equity among its competitors.

Online Registration

All registration for the 2024 Junior PGA New England Section Qualifiers and Junior Tour will be done online at www.nepgajuniortour.com. To register for the tournaments online, you must be a 2024 Junior Member. To register for non-member events as a non-member, you must do so online as well. **Note: Tournament deadlines will be at least 5-7 days prior to the event. The NEPGA reserves the right to change deadlines at anytime.**

Registration/Rejected Credit Cards

While either registering for membership or for tournaments, please ensure that you are using a CREDIT CARD that has not expired. Debit cards will not work. In the case that the card transaction is “rejected,” please log into BlueGolf and try to register again with a different card. If the system continues to reject the card, please call the NEPGA Office – 508-869-0000. **Note:** please enter the credit card numbers correctly.

Waitlist Policy

Juniors on the waitlist will gain a spot in a tournament in the event of a cancellation. The spot in the field will be filled according to the age division of other members in the tee time on a first come, first serve basis off the waitlist. **Note:** Anyone who is placed on the waitlist will not be charged unless they get into the event. **Example:** If a spot opens in a 12 & under age division tee time, the first participant on the waitlist in that division will be eligible for the spot. A junior in the 16-18 age division would not be eligible to fill the opening.

Credit Remission Policy

The New England PGA Junior TOUR may issue credits in replacement of a credit card refund for the total of a tournament entry fee. Credits can not be transferred to another member's account and can only be used on membership or tournament registration costs. **After 2 consecutive years of failure to renew junior tour membership or use account credits, any remaining balance will be forfeited. Notice of credit expiration will be given prior to forfeiture.**

Credit Card Processing Policy

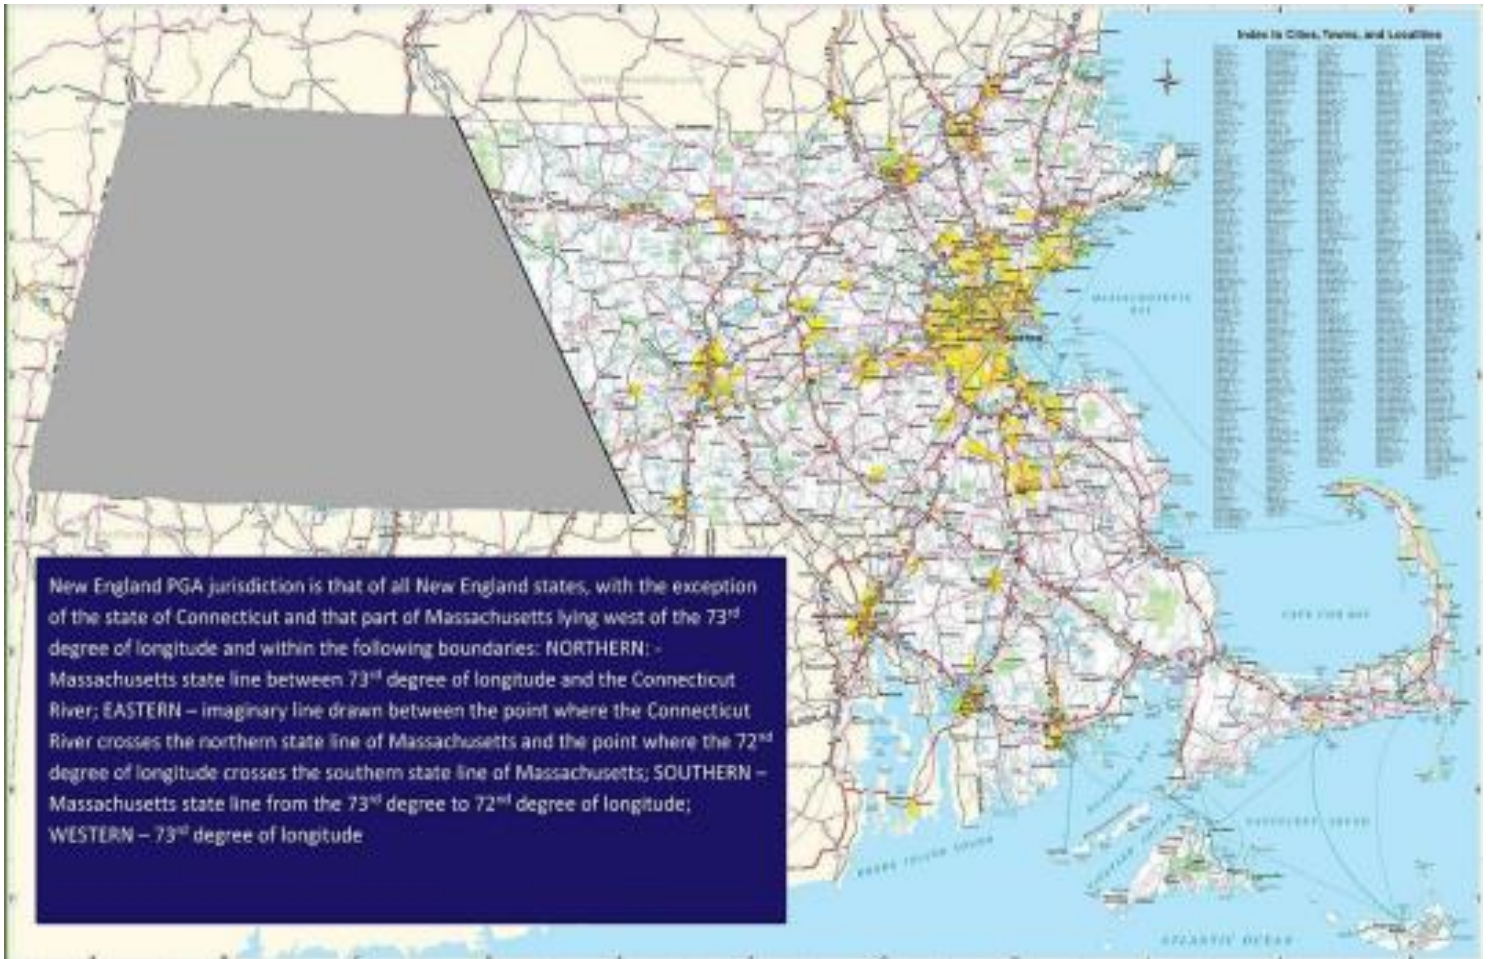

Participants may cancel out of an event anytime up until **ONE MONTH** prior to the event without penalty. One month prior to the event, credit cards will be processed. From one month prior to the event, to **5 DAYS** before the event, cancellation follows our cancellation policy.

Cancellation Policy

Once credit cards are processed, participants may cancel out of an event prior to the tournament deadline advance and receive a full refund minus an administration fee of \$5. Participants who cancel after the tournament deadline will not be refunded unless a valid explanation is provided. Any player that cannot participate in a Junior Tournament due to medical reasons, and it is after the tournament deadline, must provide a notice from a Doctor or Physician to validate the cancellation. Excused cancellations will still be subject to the \$5 administration fee.

Although participants who cancel out of an event after the tournament deadline may not receive a refund, it is **mandatory that they** cancel out of the event online. This is being enforced to help eliminate no-shows and allow players on the Waitlist to participate.

Players will receive one warning about this policy. A second offense may lead to a suspension. If a player shows complete disregard for this policy they will have their playing privileges revoked.

Starting Time and Groups

Starting times are produced at random by age division. Effort is made to avoid paring players from the same family or hometown. The NEPGA does not take or accept starting time requests or changes. Unless otherwise specified, starting times for all New England PGA Junior Golf events are posted online at www.nepgajuniortour.com at least 3-5 days prior to the date of the event. Participants will also receive starting time notifications via email. If the event is over or under capacity, the production of starting times may be delayed. The New England PGA reserves the right to change starting times at any time. The following is from the USGA Rules of Golf:

When to Start Round

The player must start at (and not before) his or her starting time. This means that the player must be ready to play at the starting time and starting point set by the Committee. A starting time set by the Committee is treated as an exact time (for example, 9 am means 9:00:00 am, not any time until 9:01 am). If the starting time is delayed for any reason (such as weather, slow play of other groups or the need for a ruling by a referee), there is no breach of this Rule if the player is present and ready to play when the player's group is able to start.

Penalty for Breach: Disqualification, except in these three cases:

- **Exception 1 – Player Arrives at Starting Point, Ready to Play, Nor More Than Five Minutes Late:** the player gets the **general penalty** applied to his or her first hole.
- **Exception 2 – Player Starts No More Than Five Minutes Early:** the player gets the **general penalty** applied to his or her first hole.
- **Exception 3 – Committee Decides that Exceptional Circumstances Prevented Player from Starting on Time:** there is no breach of this Rule and no penalty. **Note:** Please see Interpretation for further clarification of “exceptional circumstances.” Ordinary circumstances like heavy traffic do not apply.

Playing in Groups

Match Play: During a round, the player and opponent must play each hole in the same group.

Stroke Play: During a round, the player must remain in the group set by the Committee, unless the Committee approves a change either before or after it happens.

Penalty for Breach of Rule: Disqualification

Dress Code (Parents & Players)

In accordance with the facilities with dress codes, the New England PGA seeks to keep the policy uniform across for all tournaments. **It is important that children, as well as adults, dress appropriately at all times.** Players and parents who do not abide by the dress code will be asked to leave club premises. The tournament staff reserves the right to deem whether a player is wearing proper golf attire. The following dress code must be observed:

Appropriate attire for boys is a collared golf shirt, pants or long shorts, and golf shoes or sneakers.

Appropriate dress for girls is a collared golf shirt, pants or long shorts/ skirts, and golf shoes or sneakers.

No mock necks, cargo shorts, jeans, tank tops, sweat suits, T-shirts, gym/mesh shorts, bicycle shorts, halter-tops, midriffs, or short shorts/skirts will be tolerated. Girls' shorts/skirts MUST be no shorter than 4 inches above the knee. All shirts must be tucked in. No hats are to be worn backwards and should be taken off when entering the clubhouse. Players playing or listening to music is not permitted during a round. Golf shoes must have soft spikes.

Spectator Policy

All Parents/Guardians are required to read this section

Unless otherwise specified, the New England PGA Junior Golf Program does not allow spectators on the golf course at any time. Spectators may watch from holes within close proximity to the clubhouse (typically the 1st & 10th tees and the 9th & 18th greens). Any spectator caught on the course will be escorted off the course with a warning. A second offense will result in disqualification of the competitor(s) the spectator is following. This policy is for the general good of both the player and the game. This policy is in effect for all New England PGA Junior Golf events. For circumstances, which warrant a parent/guardian to be on course with their child (medical, etc), the NEPGA must have documentation on file from a doctor or physician prior to the juniors participation in the event. However, such spectators must remain on the golf car path/rough and maintain 50 yards distance from the players at all times.

Mobile Phones and Electronic Devices

Given the USGA Rules of Golf Players Edition rule book no longer being distributed, the New England PGA has decided to deem the use of electronic devices appropriate during event competition. Given this change it is mandatory for every player with a cell phone to have the USGA Rules of Golf App downloaded and accessible at all times in the event of a rules situation.

If a player is found to be misusing an electronic device to potentially gain an advantage or any other means besides using the rules of golf app, the player will receive one verbal warning regarding this inappropriate violation. **If the player is in violation of this rule a second time, the player will be disqualified from the competition.**

NOTE: The NEPGA reserves the right to change this policy at any time.

Policy on Pull Carts and Motorized Golf Cars

All players may use pull carts, however it is ultimately the tournament course that has the final decision. If a course does not allow pull carts, then players must carry their own golf bag. Please call the course to understand their pull cart policy. The use of caddies and golf carts are **prohibited**. It is a condition of participating in all events that the competitor is not permitted to use a motorized golf cart during event competition notwithstanding the foregoing: The NEPGA and PGA of America are committed to conduct golf competitions within the perimeters of the American with Disabilities Act. Players who request relief under the Americans with Disabilities Act, and seek a reasonable accommodation for their disability by the use of a motorized golf cart during an event competition shall be required to submit their request in writing to the FOUNDATION COMMITTEE on or before the entry deadline date for review and determination. The Jr. Golf Committee will schedule a hearing to allow the applicant the ability to present evidence to support the applicant's position. Please contact New England PGA Junior Golf & PD Director Brianna Sovring-Moesch for more information.

Course Yardages/Tees

The following will be a general guideline for course yardages for NEPGA Junior Tour events. The tees to be played will be designated on the Rules sheet provided for that competition.

Division	Set of Tees Yardage
Developmental Tour	Play will be from a Forward set of tees and some fairways

 - the first player to play a third stroke on a par-5 hole
 - the first player to play on or around the putting green

All “bad times” carry over during the round, which means if a Player has received a “bad time” warning on the 5th hole and receives another “bad time” on the 7th Hole, the Player will receive a one stroke penalty.

A further bad time during the round will be a two stroke penalty.

Players are both allowed and encouraged to play out of turn (“Ready Golf”) in a safe and responsible way under Rule 6.4b(2) at any time, but especially when their group is out of position. To further encourage a group to get back in position, the first person to hole out should immediately head to the next tee and the second person to hole out should retrieve the flag (if it had been removed) and replace it after the last person has holed out.

CODE OF CONDUCT (PLAYERS)

Any conduct unbecoming a junior golfer shall be subject to one warning by an official and immediate disqualification at any subsequent incident. In the event of a serious breach of conduct, the player may be disqualified or suspended indefinitely without warning from an official. Such conduct shall include but is not limited to cheating, fighting, abusive language, tobacco/ alcohol/drug use, club throwing, profanity, showing disrespect to volunteers, staff or officials, littering or leaving trash on the course, abuse of the golf course or golf facility including failure to repair ball marks and replace divots.

Players must be willing to comply with all policies set forth by the New England PGA including the Dress Code Policy. Players must also adhere to any rules set forth by the host facility, i.e. soft spike policy, no hats in the clubhouse, etc. Any such incidents regarding Code of Conduct violations will be handled immediately at the discretion of the onsite staff. The matter will then be reported to the Junior Golf Director. The NEPGA reserves the right to suspend and or revoke playing privileges at any time.

ETIQUETTE

Displaying proper Golf Etiquette is required at all times during course of play. Learning the appropriate etiquette of golf will ensure a more positive experience for you and your fellow players. These tips will help you succeed before, during, and after a round of golf.

- Confirm your starting time online to minimize confusion the day of an event. Also, become familiar with the definitions in the USGA Rules of Golf. Remember, it is the responsibility of the player to know and understand the Rules.
- **SAFETY** always comes first. Prior to playing a stroke or making a practice swing, always ensure that no one is standing close by or is in position to be hit by the club, the ball, or any objects that may be moved by a swing. Make sure that the group in front of you is not within range of the shot.
- **RESPECT** your fellow players. Remain silent and still when a player is addressing the ball or making a stroke. Keep a steady pace while on the course. Always carry an extra ball in case a provisional is needed. Have tees and ball markers readily available in your pocket. Think about your next shot while walking to your ball and be ready to hit when it is your turn. To minimize lost balls off the tee, each individual in the group should pay close attention during each shot.
- **PRESERVE** the condition of the course by raking bunkers, replacing divots and fixing ball marks on the green (yours and one more!). On the green, tread lightly. Never run or hit the surface of the green with a club. Never walk on the intended line of putt of any golfer in your group.
- **BE RESPECTFUL** towards all employees at the host facility. This includes golf professionals, tournament staff, rules officials and volunteers. Remember, you are a guest at the host facility. A Please and a thank you can go a long way.

PARENT/GUEST CODE OF CONDUCT

The New England PGA (NEPGA) Junior Tour appreciates the support provided by parents, grandparents, guardians, family members, and guests who attend our events. In order to run our tournaments in the most effective manner and provide enjoyment for all involved, we need all non-players to abide by the following Sport Code of Conduct throughout the tournament experience. I therefore agree,

1. I will remember that children participate to have fun and that the game is for youth, not adults.
2. I will emphasize skill development and practices and how they benefit my child over winning.
3. I will encourage good sportsmanship by demonstrating positive support for all players and respect for NEPGA Staff & Officials, volunteers, and host facility and staff and official at every NEPGA Junior Tournament or event.
4. I (and my guests) will encourage sportsmanship for my child by showing respect and courtesy for all players, NEPGA Staff, parents, officials at every NEPGA Jr Tournament or event.
5. I (and my guests) will not engage in any kind of unsportsmanlike conduct with any official, NEPGA Staff, player, volunteer, parent, and host club members or staff.
6. I will ensure that my child comprehends the benefit of competition and place an emphasis on appreciating the beneficial aspects of competing aside from just winning or losing.
7. I will ensure that my child treat other players, NEPGA Staff & Officials, host club members and staff and volunteers with respect regardless of race, creed, color, sex or ability.
8. I will ensure a sports environment for my child that is free from drugs, tobacco, and alcohol and I will refrain from their use at all sports events.
9. I will not make insulting comments to players, NEPGA Staff & Officials, volunteers, host club members and staff.

Any misconduct or unbecoming behavior by the Spectator (s), Parent(s), Legal Guardian, all attendees associated with junior participant may result in the immediate disqualification of the player from the event and/or the elimination of NEPGA Jr Tour Membership, and/or the removal of the Spectators, Parent(s), Legal Guardian, all attendees associated with junior participant from the facility, and/or suspension or expulsion from the NEPGA Jr tour for those said violators.

Examples of misconduct include but are not limited to: Abusive or foul language, use of electronic devices to video, record, or photograph participants (prohibited), advice to participants, dishonesty, disrespectful behavior toward volunteers, officials, host club members or participants, inappropriate communication to New England PGA staff, New England PGA Leaders etc.

I will otherwise conduct myself in a professional manner and I will follow the rules and instructions of the NEPGA as may be provided to me in writing or verbally through NEPGA staff and as may be updated from time to time during the season.

NEW ENGLAND PGA 2024 HARD CARD

Play is governed by the Rules of Golf effective January 2024, and where applicable, by the following Local Rules and Terms of the Competition. Committee Procedures refers to the Committee Procedures section in the current *Official Guide to the Rules of Golf*. The *Committee* refers to the New England PGA Rules Committee. **Unless otherwise noted, the penalty for breach of a Local Rule is the general penalty.**

1. **Out of Bounds and Course Boundaries:** *Out of bounds* is defined by the line between the course-side points at ground level of white stakes and fence posts, off club property, and in any other manner as described in the applicable event's "Notice to Players."

Note: A ball coming to rest on or beyond a public road is out of bounds, even if it comes to rest on another part of the course that is in bounds for other holes.

2. **Dropping Zones:** When the use of a dropping zone is permitted on the applicable "Notice to Players" for a particular competition round, the provisions in Model Local Rule E-1 apply. The ball must be dropped in and come to rest in the dropping zone.
3. **Penalty Areas:** Red penalty areas with an opposite side relief option will be indicated on the applicable "Notice to Competitors."

Note: When the edge of a red penalty area coincides with the boundary of the course, this modifies the Penalty area ruling.

1. Abnormal Course Conditions and Integral Objects

a. Ground Under Repair:

- i) Any area **encircled by a white line**, including gallery crosswalks (except dropping zones or *out of bounds*).
- ii) **Newly trenched areas**, including grass-covered cables.
- iii) **French drains**, which are trenches filled with rocks or stones.
- iv) **Aeration holes** in General Area or on Putting Green, **but** interference does not exist if the aeration hole only interferes with the player's stance or, on the putting green, on the player's line of play – Model Local Rule E-4.
- v) A **hole made by a movable obstruction** (stakes, signs, chairs or the like) may be treated as ground under repair by the Committee. **But** interference does not exist if the hole only interferes with the player's stance.
- vi) If a player's ball lies in or touches a **seam of cut turf** or a seam interferes with the player's area of intended swing in the *general area*, the player may take relief. **But** interference does not exist if the seam **only** interferes with the player's *stance*.

Note: All seams within the area of cut turf are treated as the same seam in taking relief. This means that if a player has interference from any seam after *dropping* the ball, the player must proceed as required even when the ball is within one club-length of the reference point.

b. Immovable Obstructions:

- i) **All roads and paths on the course**, even if not artificially surfaced, are treated as *immovable obstructions* from which free relief is allowed.
- ii) **White lined areas of ground under repair tying into immovable obstructions** are

treated as a single *abnormal course condition* when taking relief

iii) **Roads or paths surfaced with shells, wood chips or mulch** are immovable obstructions. The individual pieces of shells, wood chips or mulch are loose impediments.

iv) **Landscaped or garden areas (flower beds, shrubbery or the like) completely encircled by an immovable obstruction** are part of the obstruction.

v) **Railroad ties, curbing** or other similar artificial edges adjoining cart paths are part of the same *obstruction*.

vi) **Where the non-course side edge of a road or path defines out of bounds**, the road or path is an obstruction.

vii) **Stakes, ropes, wires, or other objects** supporting trees or tree limbs, provided they are not closely attached, are immovable obstructions. The tree or tree limb is not part of the obstruction.

viii) **Secured mats and plastic cable ramps** covering cables.

c. Integral Objects

i) **Bunker Liners:** The Committee may treat an exposed liner as ground under repair. But interference does not exist if the liner only interferes with the player's stance.

ii) **Artificial retaining walls** and/or pilings when located in *penalty areas*. iii) **Wires, cables, wrappings, signs and lightning rods** closely attached to trees or objects defining *out of bounds*.

d. **Temporary Immovable Obstructions:** Model Local Rule F-23 in Committee Procedures is in effect and includes any Temporary Immovable Obstruction installed for the competition.

5. Permanent Elevated Power Lines or Cables

If it is known or virtually certain that a player's ball hit a permanent elevated power line **in bounds**, the stroke does not count. The player must play a ball without penalty from where the previous stroke was made in accordance with Rule 14.6.

6. Restrictions on Use of Specific Equipment

a. **List of Conforming Driver Heads:** Any driver the player uses to make a *stroke* must have a clubhead, identified by model and loft, which is on the current List of Conforming Driver Heads issued by the USGA.

Penalty for Making a *Stroke* with Club in Breach of this Local Rule: Disqualification. There is no penalty under this Local Rule for carrying, but not making a *stroke* with a driver that is not on the List of Conforming Driver Heads (See Model Local Rule G-1 in Committee Procedures).

b. **Groove and Punch Mark Specifications:** In making a *stroke*, the player must use clubs that conform to the groove and punch mark specifications in the *Equipment Rules* that took effect on 1 January 2010. Ping Eye 2 irons manufactured before 31 March 1990 with a groove spacing to groove width ratio of 2.3 to 1 are allowed for play under the Rules of Golf, even when this Local Rule is in effect (See Model Local Rule G-2 in Committee Procedures).

Penalty for making a *Stroke* with Club in Breach of this Local Rule: Disqualification. There is no penalty under this Local Rule for carrying, but not making a *stroke* with a club which does not conform to these groove and punch mark specifications.

c. **List of Conforming Golf Balls:** Any ball used in making a *stroke* must be on the current List of Conforming Golf Balls issued by the USGA. This list is regularly updated and can be found at www.usga.org. **Penalty for Making a *Stroke* at a Ball Not on Current List in Breach of this Local Rule: Disqualification.**

7. Restrictions on Practice

a. Before or Between Rounds in Stroke Play:

Rule 5.2b is modified in this way: A player must not practice on the competition *course* before or between *rounds*.

Penalty for Breach of this Local Rule:

Penalty for first breach: *General Penalty* (applied to the player's first hole). **Penalty for second breach: Disqualification.**

8. Procedures for Bad Weather and Suspensions of Play

a. Methods for Stopping and Resuming Play:

A suspension of play for a dangerous situation will be signaled by one prolonged note of a siren or horn. All other suspensions will be signaled by three consecutive notes of a siren or horn. In either case, resumption of play will be signaled by two short notes of a siren or horn. See Rule 5.7b.

Note: All practice areas are closed during an immediate suspension for a dangerous situation until the *Committee* has declared them open.

b. Removal of Temporary Water on the Putting Green:

If a player's ball lies on the *putting green* and there is interference by *temporary water* on the *putting green* the committee may:

- Require the player to take free relief under Rule 16-1d or
- Squeegee the line of play

Such squeegeeing should be done across the *line of play* and extend a reasonable distance beyond the *hole* (that is at least one roller length) and must only be carried out by individuals designated by the *Committee*.

Note: The *Committee* may squeegee the *putting green* at any time.

9. **Committee Pace of Play Policy:** See Rule 5.6b(3). See posted NEPGA pace of play guidelines for pace of play policy and penalties.

10. Scoring Area, Returning of Scorecard:

a. **Scoring Area** may include but is not limited to tents or rooms. A player's scorecard has been returned to the Committee when the player has exited the defined scoring area with both feet, unless the player, prior to leaving, verbally informs the Scoring Official, and it is acknowledged, of their intention to leave the scoring area and immediately return.

b. **Returning Scorecard:** For the purpose of applying Rule 3.3b(2), a player's *scorecard* is treated as returned when the player has first left the scoring area with both feet.

11. **Measuring Condition of Putting Greens:** Before or between *rounds* on any day of the competition or play-off, a player or *caddie* must not use any device that measures the condition (slope, texture, firmness, or moisture level) of any *putting green* on the *course*. The use of such a device is only permitted on practice days.

12. **When the Result of the Competition is Final:** The result of the competition is final when all scores have been approved by the Committee. In the event of a play-off, the competition is final when the play-off scores have been approved by the Committee.

★ Weather/Unplayable Conditions

The New England PGA will conduct junior golf events during foul weather conditions including rain, wind and extreme heat. However, in the event these conditions become a dangerous situation or render the course unplayable, we will delay or cancel the event. The host facility has the final say on whether the course is deemed playable.

If weather appears to be questionable the day of any event, please check our website or your email account prior to calling the section office. Other than extreme situations, all decisions regarding weather related cancellations are made the day of an event. Unless otherwise specified, we will not reschedule an event.

The NEPGA reserves the right to cancel an event under any conditions.

If suspension of play due to a dangerous situation or unplayable conditions prevent the start or completion of an event, the following policy will apply regarding the determination of division and overall champions as well as distribution of points:

- If an entire division of the field can complete the same number of holes, then the overall results will stand based on the number of holes completed, and player of the year points will be distributed.
- However, if an entire division cannot complete the same number of holes, the division/event or round will be cancelled. No points will be distributed. All players that did not finish/complete the number of holes will be refunded their entry fee minus an administration fee of \$5 in addition to any course, range fee accrued (per person).

This policy can be changed by the NEPGA at any point and time and is infect for all New England PGA Junior Golf events.

Decision of Ties

Junior Tour

Unless otherwise noted in the Conditions of the Competition, first place, second place and third place finishes on the Junior Tour will be decided by matching scorecards. The New England PGA Junior Golf Program has adopted the method of determining the winner based on the best score for the last round.

If the tying players have the same score for the last round or if the competition consists of a single round, the winner will be determined by based on the score for the last nine holes, last six holes, last three holes, and finally the 18th hole. If there is still a tie, then ties will be decided by lot. If the round is less than 18 holes, the number of holes used in matching scores may be adjusted. See Committee Procedures, section 5A(6) for more details.

First place, second place and third place finishes will use the above guideline. Ties for fourth place onward will be split. Players will share the total of these points.

Championships

If time and or conditions permit, first place ties will be decided by a hole-by-hole play-off at the following events: Junior PGA New England Section Championship, Boda Memorial Tournament of Junior Club Champions, Bay State Cup, Junior Tour Stroke Play Championship, and Elite Tour events.

The playoff will begin on the most convenient hole for the tournament committee and the course. All subsequent ties will be decided by the matching of scorecards method described above, unless otherwise noted on the Conditions of Competition.

This policy can be changed by the NEPGA at any point in time.

See you on the
fairways soon!
