Mr. Jordan Schneider

Palm Beach County Golf Association

Dear Jordan,

Turtle Creek Golf Club is looking forward to hosting the Palm Beach County Senior Amateur this Friday and Saturday. Our staff is working hard to get the course in the best condition possible for the tournament, and as you can imagine, Hurricane Irma has created some challenges. Staff began cleanup on Tuesday, and we had power restored this morning. Although the course may not be in "tournament condition", it will produce a great event under the circumstances.

Please invite the players to join us prior to the shotgun on Friday and Saturday for complimentary coffee and pastries at our Halfway House beginning at 8:00AM. After play each day, enjoy a burger hot off the Grill and an ice cold brew at our Tiki bar. They are also invited to dine inside at our Grille Room and order off the menu. Payments for lunch will be credit card only please.

We are excited to host this event, and please let me know if we can be of service in any way.

Best regards,

A handwritten signature in blue ink, appearing to read 'Doug Anderson', with a long, sweeping underline.

Doug Anderson, CCM/CAM
