ABOUT OUR VENUES

Trevoze Golf & Country Club

The Club is situated on a beautiful stretch of the north coast of Cornwall with sandy beaches surrounding it. Designed by Harry Colt in 1924 the course hosted the English Amateur Strokeplay (Brabazon) Championship in 2008. The 18-hole championship course provides a stern yet fair challenge for even the top Professionals.

Trevoze ensures that you use almost every club in the bag and the experience is memorable, hence the number of Professionals and amateurs that choose to play the course and keep returning. Trevoze also offers high quality accommodation available throughout the year.

Newquay Golf Club

A revered Harry Colt designed course built in 1890. Not only a landmark of natural beauty, Newquay's iconic Links also possesses a colourful and exciting history that has made it the prestigious Club that it is today. The location of Newquay's Golf Links is perhaps one of the finest in the world, along the whole length of the wonderful stretch of sand known as Fistral Beach.

The Links. Newquay Golf Club was formed in 1890 with the intent of creating Cornwall's finest Golf course alongside the wonderful stretch of Fistral Beach. The original plans for the land were to build a housing estate where the Golf Club now lies, with three parallel roads running between Tower Road and the sea. The Headland Riots of 1887 prevented this, meaning the planned development came to a halt and the Links were spared.

St Enodoc Golf Club

In the true sense of classic links layouts, St. Enodoc's Church Course occupies a piece of land that provides a wonderful golfing experience. The scenic views and the course presentation combine to provide one of the country's unique golf challenges. Consistently ranked within the UK's Top 100 courses, this James Braid design is a true test for even the best players with some truly memorable holes.
