

# Covid-19 Player Protocol

The PRJT is enacting the following protocols in order to keep our Tour events safe for players and families.  
 We ask that the players and their parents/caddies review before participating.

## Before you arrive

- « Everyone must obey the social distance rule of maintaining a minimum of six feet at all times. This includes the registration area, putting green, driving range, golf course, scoring, and through the completion of the round.
- « Please arrive **NO MORE than 30 minutes** before your scheduled tee time.
- « Instead of a traditional hug or handshake before or after your round, we recommend a friendly nod, a tip of your cap, or a simple wave as a form of greeting or sportsmanship.
- « Bring your own tees, pencils, ball-markers, and divot repair tools as we will not supply these until further notice.

## Arriving at the course

- « Upon arrival, please verbally notify a PRJT staff member at the registration table you are present while maintaining social distancing guidelines.
- « During your warm-up on the putting green, chipping green, and driving range, make sure you continue to practice social distancing guidelines.

## During the round

- « Blank scorecards will be sent via email to registered participants to print at home. You will use that scorecard to keep each player's score in your group. Yardages will be emailed to players by the Tour director for the upcoming event.
- « If your ball comes to rest in a bunker, the player is permitted to lift, clean, and place their ball within one club length, no closer to the hole. The ball must remain in the bunker. The player may smooth the bunker before placing the ball.
- « Rakes will have been removed from bunkers at most courses. However, if a rake is present, please don't use it. Once a player hits their ball out of the bunker, the player should do their best to smooth the sand with their feet.
- « At this time, all players **MUST** leave the flagstick in. The first offense constitutes a warning. A two shot penalty will be given for each subsequent offense.
- « Upon completion of your round, the group will head to the general scoring area. Players will verbally agree to the hole-by-hole scores for each player. After agreeing, the marker will sign the scorecard and submit to the Tour staff. We will verify totals with each player, sign the card, and then place in the box. The player **WILL NOT** sign their own scorecard.

## After your round

- « After scoring is complete, do not gather at the clubhouse or any other common area.
- « At this time, we will not conduct traditional awards ceremonies. Results and points will be posted online only, and no written scoreboard will be available onsite.
- « All ties for first place will be broken via a playoff. Playoff hole will be determined by Tournament Committee.
- « In the event play is suspended, you are directed to evacuate to your car in the parking lot. The Tour director will provide updates via email and social media.

## Other important precautions for players and parents

- « If you are sick or at risk, please stay home.
  - « Please bring your own water, as water won't be supplied.
  - « Wash your hands frequently. If you can't wash them on the course, use hand sanitizer.
  - « Avoid touching your face, including your mouth, nose, lips or eyes.
- PRJT will continue to act in the best interest of our tournament families, as our top priority is the safety of our players, parents, staff, volunteers, and coaches.
