Questions or disputes (including equipment rulings) shall be settled by the on site Rules Committee appointed by the PGA TOUR, whose decision shall be final.

Distance Measuring Devices

For play in Open Qualifying, a player may obtain distance information by use of a distance-measuring device. If during the stipulated round, a player uses a distance-measuring device to gauge or measure other conditions that might affect his play (e.g. elevation changes, wind speed, etc.), the player is in breach of Rule 4.3a(1).

Groove Specifications

Open Qualifying contestants **MUST** use equipment which conforms to the Condition of Competition for Groove Specifications as implemented in the PGA TOUR, Champions Tour and Web.com Tour Local Rules and Conditions of Competition (Hard Card). Players should confirm that their equipment conforms to the new specifications well in advance of the competition and should be aware that conforming equipment must be used in Open Qualifying.

If, before the competition, a player has doubt as to the conformity of a club, PGA Section officials will attempt to determine the status of the club(s), but play will not be delayed in doing so. There will be no on-site field testing for

groove conformity at Open Qualifying. If the club(s) in question is not listed on the public database listing conformity of clubs, the club shall not be used in the competition.

In the event that it is discovered that a player's club(s) do not conform after the close of the competition, the provisions of Rule 34 of the Rules of Golf shall apply.

If in the judgment of the on-site PGA TOUR Rules Official or designee, whose decision shall be final, conditions render commencement or continuation of tournament play inadvisable, play shall be postponed until such time as the PGA TOUR Rules Official or designee determines that such weather conditions or other occurrences or conditions have improved sufficiently for play to commence or resume.

In situations involving adverse weather conditions or any other occurrence or condition, our first priority is the completion of the qualifying competition. Every effort will be made to achieve this objective by the end of the scheduled competition day.
