

c/o Mr. Darrell Fuston, PGA
Secretary, Southern Texas PGA

Members of the Southern Texas PGA,

It has truly been a privilege to serve on the Board of Directors for the past six years, and I'm excited to announce my intent to run for the position of Secretary for the Southern Texas PGA.

My commitment to our organization runs deep, and my passion for promoting the game of golf fuels my desire to give back to our community. I believe that my experience and dedication can help us reach our shared goals and further enhance the programs we offer to our members. If given the opportunity to serve as Secretary, my priorities will be:

Serve the Member

- Access to high-quality education, training, and certification opportunities that keep us ahead of industry trends.
- Production of professional content to promote our members.
- Increase opportunities for professional networking, mentorship, and peer-to-peer support.
- Section Championship purse increases and deeper field payout. This is our "Signature Event"!!

Grow the Game

- We need to continue finding ways to make the game more welcoming and accessible to all.
 - Continued strength & growth in our junior golf program.
 - Strong Foundation providing scholarships.
 - PGA Hope: serving our veterans and first responders

Elevate the Association

- Open and transparent dialogue about the decisions that affect our Section.
- Effective & efficient communication between National and Sectional governance stakeholders.
- Stronger sense of community within our section, where we can lean on each other for support, mentorship, and guidance

I am looking forward to the chance to contribute to the ongoing success of the STPGA and to advocate for all of you with integrity and enthusiasm. Thank you for taking the time to consider my candidacy.

Warm regards,
