Dear Darrell,,

Please accept this letter as my formal declaration of intent to run for an at-large position on the Southern Texas PGA's Board of Directors. In recent years I have been fortunate to serve on the Tournament Committee and currently I am on the Member Services Committee. I would like to expand upon my involvement by running for one of three at-large positions.

I am excited to be a part of the growth and development of our section. As of now, I am not sure what it means or what I would do, but I want to help our section and my fellow members. I want to be the ears to listen and the voice of growth for my fellow members. I would add the perspective of a Director of Instruction and career long teacher/coach of our great game.

Sincerely yours,
