Darrell Fuston, PGA

Dear Darrell,

I am writing to formally declare my intent to run for one of the at-large director positions on the Southern Texas PGA's Board of Directors. As a committed member of the PGA since 2019 and the Director of Instruction at Golfinity, I have seen the potential for growth and the importance of leadership in our Section. I am eager to contribute to this growth by serving on the Board and helping to drive the continued success of our community.

Throughout my career, I have been fortunate to work with a diverse group of golfers, from beginners to seasoned professionals. However, it is my work with the PGA HOPE program that has proven to be the most important and transformative part of my career. Over the past two years, I've had the privilege of serving over 200 veterans, helping them find healing and camaraderie through the game of golf. This experience has reinforced my belief in the power of community and the role our organization can play in fostering a supportive environment for all members. This sentiment extends to our PGA community as well.

As a Director of Instruction, I have a unique perspective on the challenges and opportunities facing both new and experienced professionals in our field. My goal is to represent the diverse interests of our membership while helping the Section continue to evolve in an ever-changing golf landscape.

If elected, I promise to be an advocate for all members of the STPGA. I will listen intently, act thoughtfully, and work tirelessly to ensure that our Section continues to grow, thrive, and remain at the forefront of the PGA's mission. I am honored by the opportunity to run and excited by the possibility of serving my fellow members.

Thank you for your consideration.

Sincerely,
