Section 1: Overview

Welcome to the Southern Texas PGA Junior Golf Program

OVERVIEW

The Southern Texas PGA (STPGA) Junior Golf Program is one of the four pillars of PGA REACH Southern Texas. Dating back to 1994 when our Foundation was created, the leaders of the Southern Texas PGA saw the need to go all-in with junior golf and the next generation. Our program started as a clinic-based approach that saw PGA Members running STPGA approved clinics. Today, the STPGA administers six different junior programs and is part owner of a seventh. In total, we will run over 400 junior golf tournaments with nearly 4,500 unique juniors aged 6-18 this year.

Additionally, the program has numerous partnerships with national and regional organizations to help South Texas based juniors experience golf at the highest level in Texas as well as across the country. This includes programs and tournaments like Drive, Chip and Putt, PGA Junior League, the Texas Junior Golf Alliance, the Legends Junior Tour, and the Junior PGA Championship.

While our program has produced many Division 1 athletes and PGA Champions, our organization remains focused on creating lifelong golfers who enjoy the game and want to keep playing the rest of their life!

ELIGIBILITY

The Southern Texas PGA Junior Golf Programs is open to junior golfers ages 6-18 who are not currently attending college. Players who have graduated from high school may only play in STPGA Junior Golf sanctioned tournaments until the final day of STPGA Junior Championship in the summer directly following high school graduation or earlier if they have begun attending college. Players who are 19 years old can still compete in the 15-18 divisions of STPGA sanctioned events as long as they are still in high school or comply with the previous statement. A player's age division is based on their age as of the second day of the series Championship. The membership fee is \$95 and is valid for the calendar year.

HEALTH & WELLNESS

Adequate preparation for a golf tournament is crucial. The STPGA recommends that all players are equipped with light snacks (i.e. granola bars, crackers, fruit, etc.) as well as a refillable water bottle for each golf tournament.

It is suggested that junior golfers wear sunscreen and a hat to avoid overexposure from the sun. Additionally, it is recommended that junior golfers drink plenty of fluids the evening prior to each tournament to help prevent heat exhaustion. While the STPGA is not responsible for providing water on the golf course, on-site staff will work closely with each host facility to ensure that their water coolers remain full throughout the day. Please note that not all host facilities have water coolers available throughout the golf course.

Section 2: Code of Conduct

OVERVIEW

The STPGA Junior Golf Program takes great pride in the quality and conduct of its players, host facilities, and sponsors. The STPGA Junior Golf Program requires all STPGA Junior Golf members, caddies, and spectators to adhere to a set of guidelines known as the Code of Conduct. The purpose is to help all members grow and mature by understanding and accepting the consequences of their actions, both on and off the golf course.

JUNIOR GOLFER / CADDIE CODE OF CONDUCT

Violations of the Code of Conduct include, but are not limited to, cheating, abusive language, club throwing, disrespect toward Junior Golf volunteers, officials, staff members, or host staff, littering, abuse of a golf course in any manner, non-compliance with the dress code (see below), use of alcohol or tobacco products, e-cigarettes, vaping devices or any other conduct deemed unbecoming of a STPGA Junior Golf Player.

JUNIOR GOLFER / CADDIE CODE OF CONDUCT PENALTIES

The STPGA Junior Golf Program may assess any or all of the following penalties based on the severity of the junior golfer's or caddie's Code of Conduct violation:

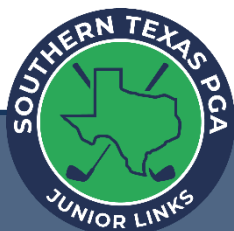

- Issue a verbal or written letter of warning to the player or caddie.
- Enforce a two-stroke penalty.
- Disqualify the player from the tournament where the violation occurs.
- Remove the caddie from the tournament where the violation occurs.
- Suspend the player and/or caddie for a portion of the tournament series or any number of tournament series remaining in the year.
- Suspend the player's membership indefinitely.
- Suspend the caddie's caddie privileges indefinitely.

SPECTATOR CODE OF CONDUCT

The Southern Texas PGA encourages family and friends of our Junior Golfers to attend our events and make them even more special for our players! It is through the support of these people that our Junior Golfers find a love and passion for the game that lasts a lifetime. By coming to a Southern Texas PGA Junior Golf event, all spectators, regardless of age or relation, agree to abide by the following guidelines that are specifically outlined to ensure that our events are conducted as smoothly and professionally as possible.

One key guiding principle to remember as you attend a Junior Golf event is that spectators are spectators and players are players. This means that while you are on-site, you allow your junior golfer to play their own round and are there merely to watch and encourage.

Below you will find several guidelines that outline the Code of Conduct for Spectators at Southern Texas PGA Junior Golf events. These are various guidelines covering specific examples that have arisen in the past, however, the Southern Texas PGA reserves the right to consider actions outside of these guidelines as a violation of the Code of Conduct.

SPECTATOR CODE OF CONDUCT CONTINUED

- Spectators must not provide swing advice or tips to players during a round or between the play of holes.
- Spectators must not demean, verbally assault, or punish player while on-site at a host facility.
- Spectators are required to remain a reasonable distance from players throughout the round. Staying on the cart path, regardless of whether the spectator is riding or walking, is required except when around the putting green. Spectators should not interfere with any group advancing from behind, nor should they converse with any player other than words of encouragement or congratulation.
- Spectators are encouraged to provide players with positive encouragement and cheers throughout the round to create a positive experience.
- Spectators may forecaddie and assist players with ball searches throughout the round. Spectators must not drive the golf cart off the cart path while fulfilling these duties.
- Spectators must adhere to the dress code outlined below for all participants.
- Spectators with carts must always keep all wheels of the golf cart on the cart path. The only exception to this rule is when a facility does not have a cart path on certain holes, in which case, they shall follow the direction of the on-site staff and keep a reasonable distance away from the players.
- Spectators are not caddies and as such may not perform the duties of a caddie, including but not limited to, tending the flagstick, raking bunkers or providing tips.
- Spectators are only allowed to shuttle between holes designated by the tournament director on the day of the event.
- For the safety of all players, spectators, and other guests, all non-service animals are not permitted at any STPGA event. Violators of this policy will be asked to remove the animal from the premises immediately.
- Spectators are not permitted to consume alcohol while on the golf course.
- Continued interaction with competitors in prohibited ways outlined will be considered the giving of Advice (Rules 10.2a) and may result in penalty and/or disqualification for the competitor.
- At events where mobile scoring is utilized, spectators are not permitted to enter the scores for the player.
- Spectators should not attempt to assist with rulings. STPGA Staff should be contacted for all rulings, as any player proceeding under the advisement of someone other than an STPGA Staff Member will be subject to any associated penalties that could arise from a wrong ruling. If an STPGA Staff Member is not available, players should proceed under Rule 20.1c(3).
- Spectators are not permitted in the Scoring Area or to assist players with score disputes unless requested by an STPGA Staff member.

SPECTATOR CODE OF CONDUCT CONTINUED

Spectators found in violation of one or more items outlined above are subject to immediate removal from the tournament and host facility. The spectator may also be subject to a loss of privilege to participate in STPGA Junior Golf sanctioned events for a set period of time or indefinitely.

The Southern Texas PGA appreciates that spectators want to attend events and cheer on their junior golfers, and we want to encourage this practice! Our team looks forward to seeing you on-site at an upcoming event and to creating a fantastic environment for all participants and attendees.

SPECTATOR CODE OF CONDUCT PENALTIES

Any violation of one or more items in the Spectator Code of Conduct, or actions outside of these guidelines that the Southern Texas PGA considers a violation of the Code of Conduct, may result in disciplinary action. This includes, but is not limited to, a written letter or reprimand, immediate removal from a tournament or host facility, or loss of privilege to participate in STPGA Junior Golf sanctioned events for a parent, guardian, spectator, and/or player for a duration set forth by the Southern Texas PGA.

DRESS CODE

If a spot opens up in your division, and you are the next person on the waitlist in that division, an STPGA staff member will put you into the event and your credit card will be charged. You will receive email notification of getting into the event and the transaction. After the deadline, you will be contacted if space becomes available. If a player chooses to remain on the waiting list, it is assumed that you still plan to play in the tournament if a spot becomes available.

- Visa, MasterCard, Discover, and American Express are the only forms of payment accepted.
- If you sign up for a tournament after the registration deadline, there will be a \$5 or \$10 late fee for all tours. Once tee times are sent out to the players, it will be up to the STPGA staff to determine if any other late registration will be accepted.

Note #1: STPGA Junior Golf members will be placed in an age group according to their age as of the second day of the series Championship (unless they have declared “up” to a higher age division).

Note #2: Should a player declare up into an older age division, they will only be able to compete in a series championship in that age division.

Note #3: Members must register online for events (entries submitted via telephone, mail or email will not be accepted).

Note #4: Confirmation emails will be sent out to each member after the registration process confirming the tournaments they were accepted into or otherwise.

Note #5: We have a strict no “walk-up” policy. Players are NOT allowed to register on the day of the tournament.

ARRANGEMENT OF STARTING TIMES AND GROUPINGS

Starting times and groupings for all events will be done on a blind draw, based on age division. For all events, requests for starting times or specific groupings will not be accommodated. Players shall start at the time and the order arranged unless otherwise informed by the STPGA Junior Golf staff. Prompt attendance is required of all players at their starting point of each round. Time of starting penalties shall be consistent with Rule 5.3a. Each contestant is responsible for obtaining his/her starting time.

NOTE: STPGA staff will determine maximum entries, pairings, and tee times for each event in a manner that makes for the most efficient use of the course and time constraints of each facility.

SCORING AREA POLICY

The Southern Texas PGA is committed to assisting our Junior Golfers in not only their junior golf journey but skills and lessons that can be used off the course. Two skills that are necessary are accountability and speaking up in difficult situations. Players are responsible for protecting the field by ensuring that all players in their group return a scorecard that is accurate and have addressed all ruling situations with the Committee. As such, the STPGA has implemented a policy that when a group has left the scoring area all scores will be considered final and no changes will be made without irrefutable evidence of an infraction.

This means that no scoring disagreements or rules disagreements will be considered by the Committee once the group has left the scoring area. If you have a concern or a question, we want the player to speak up while in the scoring area. This policy instills that players take ownership of their journey through the STPGA. The scoring area is deemed the final spot for players to discuss situations and with the help from STPGA Officials, a final decision will be made.

WAITING LIST POLICY

Once a tournament is full, all players that then register will be placed on the waiting list. Leading up to the week of the event, players on the waiting list will be placed into the event on a first come first served basis in the order of which players registered for the event. On the week of the event, players will be placed into the event on a first come first served basis according to space availability in their age division.

Note #1: Players will be notified via email that he/she has been placed into the tournament. A player may cancel himself/herself from the waiting list at any time via his/her online account.

Note #2: On the day of the event, players on the waiting list may show up at the tournament site. If a spot becomes available in your division due to a withdrawal or no-show, the player that shows up first at the event in that division has priority.

Note #3: It is the responsibility of the player to remove themselves from the waiting list either online or by calling the STPGA office if they are no longer able to participate in a tournament.

CANCELLATION POLICY

All cancellations must be submitted via the members BlueGolf account. STPGA Junior Golf members may access their account by visiting the website. Refunds will be granted in the form of tournament credit up until the tournament registration deadline.

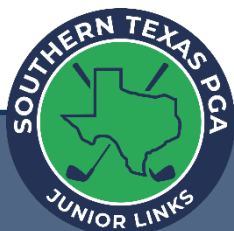

Note #1: After the registration deadline has passed, please contact the appropriate Area Director via e-mail to withdraw. Area Director contact information can be found in "Staff" section of the web-site.

Note #2: Responding to automated emails will not validate your cancellation.

REFUND POLICY

Refunds will be granted in the form of tournament credit prior to the tournament registration deadline. Tournament credit cannot be applied to another junior golfer and can only be used for tournament registration and not membership. Refunds will **NOT** be granted for cancellations and withdrawals after the tournament registration deadline. All cancellations are subject to a cancellation fee. Please refer to the chart below for each tournament type's cancellation fee.

Note #1: If the withdrawal is due to a medical situation, proper documentation must be sent to the STPGA office in order to receive a tournament credit. It is up to the STPGA Junior Golf Staff to determine if the medical situation warrants a refund, credit, or neither. Continued use of medical withdrawal may lead to investigation.

However, if you do not become a member in 2024 and sign up in 2025, the \$35 will not be available for use.

All transfer requests must be submitted prior to the registration deadline of both the tournament a player is transferring out of and the tournament a player is transferring into. All transfers out of a tournament can only be transferred into a tournament of the same Level of Play and entry fee. Transfer requests that do not meet the above-stated guidelines will be treated as a cancellation and adhere to the cancellation policy.

DIVISION ADVANCEMENT (Little Linksters, Junior Links, & Junior Tour)

Players have the ability to “play up” a division if they are approved by the STPGA Junior Golf Staff. In order to “play up”, players must fill out a division advancement form found online. They are reviewed on a weekly basis.

Note #1: Once a player “plays up” in a third event, the player must “play up” for the rest of the year. If a player has qualified via points in the lower division for the series championship, that player will be allowed to play in the championship, in the lower division as long as they have not played their third event in the older division. If a player has “played up” in three or more events, they have forfeited their right to play in the lower division.

Note #2: If a player would like to move back down following the conclusion of a series, they may submit a request to the Southern Texas PGA Office.

DIVISION ADVANCEMENT (Prestige Tour)

Players have the ability to “play up” a division if they are approved by the STPGA Junior Golf Staff. In order to “play up”, players must fill out a division advancement form found online. They are reviewed on a weekly basis.

Note #1: Once a player “plays up” in a third event, the player must play up for the rest of the year.

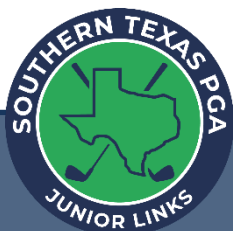

Note #2: This is only applicable if a player is playing in an older division. A Little Linksters, Junior Links, or Junior Tour player may participate in their age appropriate division at a Prestige Tour event (i.e. an 11-12 year old playing an 11-12 age division Prestige Tour event or a 13-14 year old playing in the 13-14 age division at a Prestige Tour event).

Note #3: If a player “plays up” in a Prestige Tour event, it will also qualify as an event under “DIVISION ADVANCEMENT (Little Linksters, Junior Links, & Junior Tour)”

Note #4: Once a player plays in their third Prestige Tour event, whether they “play up” or not, the player is no longer eligible to participate in Little Linksters or Junior Links events.

NO-CARD POLICY

All participants must return their scorecard to the scoring area immediately following play. Any participant who fails to return their scorecard after the round will be disqualified from the tournament. Participants withdrawing during the play of an event MUST return their scorecard to the scoring area and notify an STPGA Junior Golf staff member before leaving the facility; otherwise, they will be considered as a “No Card” participant.

NO-SHOW POLICY

It is the responsibility of the participant to notify the STPGA when cancelling out of a tournament. Any member that does not show up for their tee time without previous notice to an STPGA staff member will be considered a “No-Show.”

Spring and Fall Series

1. Players will be allowed a maximum of 3 no-shows.
2. Once a player no-shows 3 times in the same series, the player can no longer participate in that respective series. All future registrations for that series will be cancelled and refunded.
3. A warning email will be sent to the player after the 2nd no-show within the series.

Summer Series

1. Players will be allowed a maximum of 5 no-shows.
2. Once a player no-shows 5 times in the Summer Series, the player can no longer participate in that respective series. All future registrations for the Summer Series will be cancelled and refunded.
3. A warning email will be sent to the player after the 3rd no-show within the series.

If a player is disqualified (DQ), a no-card (NC), no-show (NS), or withdraws (WD) during Round 1 of a 36-hole competition, they will not be able to participate in Round 2.

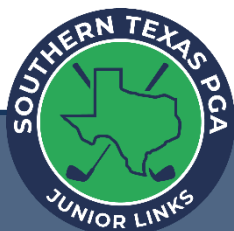

DISTANCE MEASURING DEVICES POLICY

The STPGA allows the use of distance measuring devices in all sanctioned events. A player may obtain distance information by using a device that measures distance. If, during a stipulated round, a player uses a function of a distance-measuring device that is designed to gauge or measure other conditions that might affect his/her play (e.g., gradient, wind-speed, temperature, etc.), the player is in breach of Rule 4.3 (see penalty structure below).

Note #1: Use of GPS yardage systems installed on golf carts is not permitted at any time. Spectators must not relay any yardage information displayed by a GPS system in a golf cart. A player who breaches this policy will be subjected to the following penalties:

FIRST OFFENSE: Two (2) stroke penalty
SECOND OFFENSE: Disqualification.

Additionally, players may share their distance measuring device and information pertaining to yardage with fellow competitors at their discretion provided such action does not cause an undue delay. Should there be a question on the legality of a certain distance measuring device, it is recommended that all players contact the STPGA office and speak with a member of the STPGA Junior Golf staff.

SPECTATOR CARTS

Spectator carts may be available at the discretion of the host facility; pro shop fees apply. Where spectator carts are permitted, **all carts must remain on cart paths at all times**. Where spectator carts are available they may be rented on a first-come, first-served basis. Unless directed otherwise, players will not be allowed to be given rides by spectator carts during the event. Carts may be limited at facilities.

NOTE #1: Only two (2) people are allowed to ride in a spectator cart at any given time.

NOTE #2: You must have a valid driver's license to operate a spectator cart at any STPGA Junior Golf event.

NOTE #3: At no time may any persons be on the back of a cart at any STPGA Junior Golf event.

NOTE #4: By purchasing a spectator cart, the spectator agrees to abide by all host facility rules and regulations regarding the operation of the cart.

PULL CART POLICY

Players can use a pull cart if the host facility permits pull carts. Electronic/motorized pull carts are not permitted. It is up to each participant to check with the host facility to see if pull carts will be allowed.

SHUTTLE SAFETY POLICY

Spectators are welcome to shuttle players to their starting hole, from their final hole and, in unique scenarios, where specifically instructed by the STPGA Junior Golf staff. All participants must be seated inside the golf cart at all times during transport. At STPGA Junior Golf sanctioned events, participants must NOT stand or sit on the back of a golf cart while being shuttled before, during or after a tournament. This includes shuttling to the player's starting hole and from the player's last hole of a tournament.

If a violation of this policy occurs, the player may be subjected to the following penalties:

FIRST OFFENSE: Warning

SECOND OFFENSE: Two (2) stroke penalty

THIRD OFFENSE: Disqualification

Note: If a violation of this policy is made by a spectator who is 18 years of age or younger, the same penalty structure will apply. All penalties will be added to the player in which the violator is spectating.

PACE OF PLAY TACTICS

There are several tactics that can help improve Pace of Play. The STPGA will recommend and, in some cases, enforce the following tactics during tournaments for groups who fail to keep up with the established Pace of Play. It is recommended that all players utilize the tactics listed below throughout the entire round.

- **Play “Ready Golf”**
 - When the area surrounding the player is clear, he/she may proceed to hit their shot regardless of whether or not it is his/her turn to hit.
 - Walk with a purpose!
- **Must, Must, May**
 - *MUST* – The first player to finish playing a hole *MUST* immediately grab their bag and start making their way to the next tee.
 - *MUST* – The player *MUST* also be the first person to play from the next teeing ground.
 - *MAY* – This player *MAY* tee off prior to the rest of his/her group arriving to the tee and if the landing area is clear.
- **Maximum Number of Practice Swings**
 - All players will be limited to a total of two (2) practice swings per shot.
- **Continuous Putting**
 - Once all players’ balls are on the putting green, the player who is farthest from the hole will continue putting until his/her ball is holed. This will continue until all players in the grouping have finished playing the hole.

PACE OF PLAY POLICY

Pace of Play is extremely important to the STPGA. We strictly enforce a 2:15 pace of play for all 9-hole tournaments and a 4:30 pace of play for 18-hole tournaments unless otherwise specified by the on-site tournament director.

DEFINITION OF “OUT OF POSITION” FOR SHOTGUN STARTS

A group will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach a par-3 hole that is open and free of play or fail to clear the tee of a par-4 or par-5 hole before that hole is open and free to play. Both (a) and (b) must apply for a group to be out of position.

Note: The STPGA Tour staff reserves the right to time a group when deemed necessary. Further, if a player is determined to be unreasonably slow he/she may be timed individually at the STPGA staff’s discretion, regardless of whether his/her group is out of position.

DEFINITION OF "OUT OF POSITION" FOR TEE TIME STARTS

The first group to start will be considered out of position if, at any time during the round, they exceed the time allotted to play.

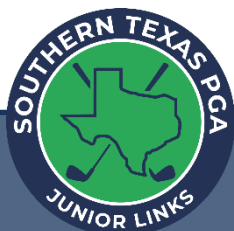

Any subsequent groups will be considered out of position if, at any time during the round, they (a) exceed the allotted time to play and (b) reach a par-3 hole that is open and free of play, reach a par-4 and have not played a stroke from the teeing ground before the hole is open and free to play, or reach a par-5 hole and all players in the group have not played a stroke from the teeing ground before the hole is open and free to play. Both (a) and (b) must apply for a group to be out of position.

Note: The STPGA staff reserves the right to time a group when deemed necessary. Further, if a player is determined to be unreasonably slow he/she may be timed individually at the STPGA staff's discretion, regardless of whether his/her group is out of position.

TIMING

The STPGA Junior Golf staff reserves the right to time a group when deemed necessary. Further, if a player is determined to be unreasonably slow he/she may be timed individually at the STPGA Junior Golf staff's discretion, regardless of whether his/her group is out of position.

A player is permitted 40 seconds to play a stroke, and an additional 10 seconds (for a total of 50 seconds) will be allowed for: (a) the first player to play a stroke on a par-3 hole; (b) the first player to play a second stroke on a par-4 or par-5 hole; (c) the first player to play a third stroke on a par-5 hole; (d) the first player to play around the putting green; and (e) the first player to play on the putting green.

PENALTY STRUCTURE (Junior Tour and Prestige Tour only)

The STPGA reserves the right to penalize a group or individual player if multiple violations of the Pace of Play policy occur. During a stipulated round, an individual player or group will receive the following warnings and subsequent penalties from an STPGA Junior Golf staff member if they are found to be over time and/or out of position, as previously defined.

FIRST OFFENSE: First Warning

- Found to be over time and/or out of position by an STPGA Rules Official

SECOND OFFENSE: Second Warning

- Found to be over time and/or out of position by an STPGA Rules Official

THIRD OFFENSE: One (1) stroke penalty

- Found to be over time and/or out of position by an STPGA Rules Official

FOURTH OFFENSE: Two (2) stroke penalty

- Found to be over time and/or out of position by an STPGA Rules Official after being issued a one (1) stroke penalty

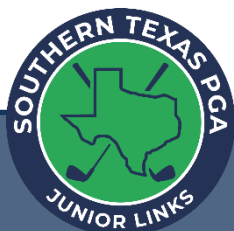

FIFTH OFFENSE: Disqualification

- Found to be over time and/or out of position by an STPGA Rules Official after being issued a two (2) stroke penalty

Note #1: Penalty strokes will be added to the hole where the infraction occurred.

Note #2: Pace of play warnings and penalties will not carry over to any subsequent STPGA Junior Golf sanctioned rounds.

Note #3: Caddies taking too much time and/or coaching during the round may be subject to a player penalty.

ASSUMPTION OF RISK (as agreed when signing up for tournaments)

I, the undersigned parent (or guardian) of the Southern Texas PGA Junior Golf Program participant, intending to be legally bound, hereby certify that the participant is physically fit and capable of participation. I acknowledge that I am aware of all risks inherent in the game of golf, including possible injury, disability or death, and agree to assume all of those risks. **AS A CONDITION OF PARTICIPATION IN THE JUNIOR GOLF PROGRAM OR ANY ACTIVITIES INCIDENT THERE TO, I HEREBY WAIVE ANY AND ALL RIGHTS AND CLAIMS (BOTH FOR MYSELF AND THE PARTICIPANT) FOR LOSS OR DAMAGES CAUSED BY THE NEGLIGENCE, ACTIVE OR PASSIVE, OF THE SOUTHERN TEXAS PGA, PGA OF AMERICA, CLUBS AND FACILITIES HOSTING EVENTS AND TOURNAMENTS AND THE AGENTS AND EMPLOYEES OF EACH.**

I, the undersigned parent (or guardian) of the Southern Texas PGA Junior Golf Program participant understand that from time to time the Southern Texas PGA, its employees, agents, or affiliates may take photographs or videos during events and programs, and that the photographs or videos may contain images of my participant. I release to the Southern Texas PGA all rights to those images, and grant the right to the Southern Texas PGA to use and display the images, in print or electronic form, publicly or privately, for any purpose designated by the Southern Texas PGA, all without compensation to me or the participant.

INCLEMENT WEATHER / TOURNAMENT CANCELLATION POLICY

The safety of players and spectators is the #1 priority for the STPGA. The STPGA reserves the right to cancel or delay a tournament at any point prior to or during a round due to inclement weather or unplayable course conditions.

In the case a tournament is deemed unplayable due to inclement weather once play has begun, it will be delayed by a determined maximum time to allow the weather to subside, giving the course ample time to recover and to allow the tournament participants an opportunity to prepare for the re-start.

If the weather does not subside during the suspension of play, the on-site STPGA Junior Golf staff will work closely with the host facility staff and superintendent in terms of deciding when to cancel the tournament due to inclement weather. Tournaments may be cancelled due to core temperature of the ground, excess rain deeming the course unplayable, or extreme outside temperatures deeming the conditions to be unfavorable for the tournament.

Decisions related to cancelling or delaying an event will be made by the designated weather monitoring staff in conjunction with the Assistant Executive Director. This decision will be communicated with on-site STPGA Junior Golf staff members, host facility staff, and superintendent prior to communicating with the tournament participants. The field will be notified of cancelled tournament(s) through email.

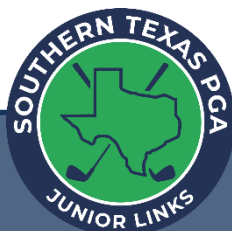

If a tournament is cancelled prior to play, the STPGA Junior Golf members scheduled to participate in the event will be refunded the full entry fee to the method of payment used during registration, or have the option to transfer into another event. If the tournament is cancelled during play, the STPGA reserves the right to retain the full entry fee.

The STPGA reserves the right to reduce the number of rounds or holes in an event due to inclement weather. A minimum of 9 common holes completed is required to be an officially counted round within that division for an 18-hole event, 5 holes for a 9-hole event, and 3 holes for a 5-hole event. Any 36-hole event that is stopped due to inclement weather will be considered complete if 9 common holes have been finished by the entire division. If 9 common holes are not finished on the final round within a division, then the final results will be determined from round one scores. The STPGA will do its best to try to complete as many holes as long as it is safe to play and course conditions are playable.

- For an 18-hole event, should a division collectively complete 9 holes or more, but collectively complete fewer than 18 holes, the tournament will be considered official and the STPGA staff will score the tournament as follows:
 - In the event that a division collectively completes the same side (i.e. Holes 1-9 or Holes 10-18), the STPGA staff will enter all players' actual scores from the respective side. If any additional common holes are completed, they will be scored.
 - In the event that a division DOES NOT collectively complete the same side as outlined above, the results for the division will be calculated relative to par for the first 9 holes that each player completed during their respective round. For example, if Player A started the tournament on Hole 12, his/her score (relative to par) for Holes 12, 13, 14, 15, 16, 17, 18, 1 and 2 would be used for his/her score. If Player B started the tournament on Hole 14, his/her score (relative to par) for Holes 14, 15, 16, 17, 18, 1, 2, 3 and 4 would be used for his score. If any additional common holes are completed, they will be scored following this format.
- For a 9-hole event, should a division collectively complete 5 holes or more, but collectively complete fewer than 9 holes, the tournament will be considered official and the same guidelines outlined above will be used.
- For a 5-hole event, should a division collectively complete 3 holes or more, but collectively complete fewer than 5 holes, the tournament will be considered official and the same guidelines outlined above will be used.

ACCOMMODATIONS FOR JUNIOR GOLFERS WITH DISABILITIES OR CHRONIC HEALTH CONDITIONS

The STPGA will, at its sole discretion and upon receipt of applicable medical documentation, make reasonable accommodations for junior golfers with disabilities or chronic health conditions. Subject to applicable rules established by the host site, reasonable accommodations may include the use of a pull cart or motorized golf cart for the transportation of golf clubs and competitors during STPGA Junior Golf sanctioned events. All related inquiries and communications shall be directed to the Executive Director.

NOTE: Letters from doctors regarding short term injuries or visible injuries will not warrant special accommodations.

GRIEVANCE COMMITTEE

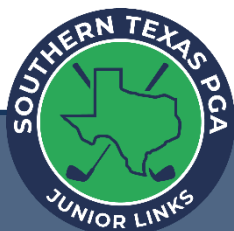

In the event of a suspension, the player may submit a written account of the Code of Conduct violation to the STPGA Junior Golf Grievance Committee within seven (7) days of the suspension / disqualification. The Grievance Committee will review all submitted materials, including a tournament staff account of the violation. The STPGA Executive Director and Junior Golf Committee Chairman will review grievances. All grievances must go through the appropriate channels to be considered.

MISCELLANEOUS

It is the responsibility of the participant to know the host facility rules and regulations. The STPGA abides by all host facility rules and regulations and requires that all participants and spectators do the same.

It is the responsibility of the participant (grades 9–12) to know the University Interscholastic League (UIL) regulations and abide by them.

The STPGA reserves the right to modify, change, or update the Rules and Regulations at any time.

Section 4: Caddies

The STPGA would like to welcome back all returning caddies to the STPGA Caddie program as well as welcome all new Caddies to the Caddie Program. The Caddie Program is such an important part of the STPGA Junior Golf Program and hope that each Caddie enjoys the opportunity to be a part of their son or daughter's team.

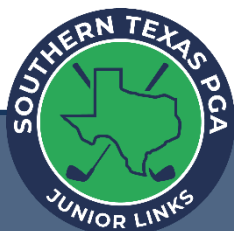

All Caddies must follow the Code of Conduct set forth on pages 7-8 at all times. Failure to follow could suspend or not allow a parent or adult to caddie for a Little Linkster or Junior Links player.

CADDIE NOTES

- Caddies that registered in 2023 **MUST** re-register to be an official caddie for the 2024 season prior to their first event in 2024. This includes payment of the membership fee AND passing the Caddie Quiz. Those caddies that do not re-register **WILL NOT** be allowed to caddie for any player until registration is complete.
- Caddies are to assist their player during the course of the round, not coach. This is not a time for extensive coaching and training. Similar to caddies at the highest level, they assist the player with yardages and club selection and then let the player do the rest. Extensive coaching may result in a loss of caddie privileges.
- All players in Little Linksters and Junior Links can have a caddie.
- All caddies **MUST** check in at registration at each tournament in order to caddie. Similar prior years, caddies will be sent a Caddie Badge after passing the quiz, but still must check in at registration at each tournament. Once you check in at registration with your Caddie Badge, you will receive a wristband for the day that allows you to caddie.
- The maximum stroke limit for Little Linksters and Junior Links is 9, regardless of whether the player reaches the green or not.
- The STPGA does not have a minimum age requirement for caddies. However, all caddies must abide by the Code of Conduct or privileges may be suspended.
- All caddies **MUST** wear golf attire.
- All players and caddies must walk the golf course unless the player is in a 5-hole division. Participants and their equipment cannot be transported in motorized carts or self-propelling push carts, except when going to their first hole, when returning from their last hole, or on a designated shuttle hole. Players and caddies may use pull carts if host facility allows.
- Players and caddies in the 5-hole divisions will have the option to ride in carts if they choose to do so. This decision has come from the reasoning that a lot of golf courses do not come back by the clubhouse at the conclusion of the 5th hole. Players and caddies are the only two people allowed to be on or in the golf cart, and the cart must be purchased by the player from the host facility. To operate the golf cart, the caddie must adhere to the host facilities cart policy.

Section 5: Little Linksters

LITTLE LINKSTERS OVERVIEW

The Little Linksters Program is where juniors get the opportunity to participate in tournaments throughout the year geared toward creating lifetime golfers. Junior golfers, ages 6-12, are grouped by age, gender, skill level, and play either 5 or 9 holes.

The program encourages and motivates juniors to learn the game, enjoy the game, improve at their own pace, and be as competitive as each individual aspires.

The program is designed so that once players improve their scores and ability, they move up to the next division. We feel that this type of program allows for players to move at their own pace and also allow the same age juniors to compete at different levels.

AGE AND HOLE DIVISIONS

Division	Holes / Tees
Co-Ed 6-8	5-hole Modified Tees
Co-Ed 6-8	9-hole Modified Tees
Boys 9-10	5-hole Modified Tees
Boys 9-10	9-hole Modified Tees
Boys 11-12	9-hole Red Tees
Girls 9-10	5-hole Modified Tees
Girls 9-10	9-hole Modified Tees
Girls 11-12	9-hole Red Tees

DIVISION ADVANCEMENT

Once a player starts in a particular division, the only avenue for them to advance into the next division of their age group is by satisfying the below scoring requirements.

- Currently plays in the 5-hole Modified Division
- To advance to the 9-hole Modified Division, the player must shoot 8 over par or lower in two events.
- It is the players' responsibility to contact the STPGA once they have achieved a score of 8 over par or lower in two events in order to be moved into the 9-hole Modified Division.

Example for Division Advancement Requirements

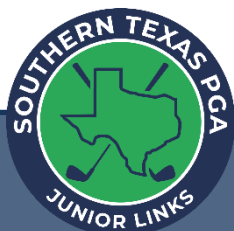

- A junior who plays in the 5-hole Modified Division on a course with a par of 21, for example (one par 3, two par 4's, two par 5's), must post a score of 29 or better in two tournaments to advance to the 9-hole Modified Division.

Important Notes

- All juniors in the 11-12 Age Division will be placed 9-hole Red Division. Those scoring 9-over-par or better are encouraged to participate in the Junior Tour for continued improvement.
- The Junior Golf Committee and Director of Junior Golf have the authority to move a junior down a division if their tournament scores fall substantially and disrupt the overall tournament atmosphere in their division (pace of play, lack of knowledge on Rules of Golf, etc.)

RULES OF PLAY

- Play is governed by the Rules of Golf and its Decisions.
- Play the ball as it lies.
- The STPGA WILL NOT adopt the Groove Rules as a condition of competition for its tournaments.
- The STPGA permits pull carts, however they will be allowed only at the discretion of the host facility. It is the players' responsibility to obtain course policy.
- Players must exchange scorecards with fellow competitors in the group.
- Any player who has taken eight (8) strokes on any hole and has not holed out must pick up his/her ball and proceed to the next tee. The score must be recorded as a nine (9) and does not exclude the participant from award consideration.
- Upon completion of the round, players must immediately proceed to the scoring area to return their score card. Participants are responsible for the correct hole-by-hole score and two signatures on the scorecard.
- Players must NOT wear headphones during play. Listening to music during a stipulated round will result in disqualification.
- Cell phones are only allowed to be used as a distance finder. This app cannot measure wind or slope. All phones must be on silent or vibrate mode. Respect host facility's policy if cell phones are not allowed.
- Each competition shall be deemed to have closed when all scores have been approved by the STPGA Junior Golf staff and published in the form of a results email.

LITTLE LINKSTERS UNIQUE RULES OF PLAY

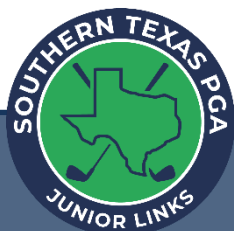

- All players may have one caddie to carry their bag and equipment and give advice, but all players and caddies must walk the golf course. Participants and their equipment cannot be transported in motorized carts or self propelling push carts, except when going to their first hole or when returning from the last hole played.
- Participants may have caddies assist in keeping their score. All scores need to be recorded on an STPGA official score card.
- Penalty Area Rule - If a player hits two (2) balls into a penalty area that is designated by red or yellow stakes or freshly painted lines they may drop a ball on the opposite side of said penalty area for no **additional** penalty.
 - Example: Player hits his or her first (1) shot into the penalty area designated by red or yellow stakes or freshly painted lines. Player drops and lays two (2). Player proceeds to hit his or her third (3) shot into the same penalty area. The play may then drop on the other side of the penalty area. At this point the player will be laying four (4) and will proceed to hit his or her fifth (5) shot.
 - *Note: The player must count the two (2) strokes for hitting into the penalty area before proceeding under this rule.*
- Bunker Rule - If a player's ball is in a bunker and the player has taken two (2) strokes at the ball in the same bunker and has not advanced the ball out of the bunker, the player may under no penalty, drop the ball outside the bunker. The player will drop the ball at the nearest point of relief, one (1) club length no closer to the hole, and continue to play.
- Out of Bounds - As an additional option to stroke and distance, a player may, for a General Penalty, drop his or her ball at the nearest fairway edge no closer to the hole.
- Players and caddies in the 5-hole divisions will have the option to ride in carts if they choose to do so. This decision has come from the reasoning that a lot of golf courses do not come back by the clubhouse at the conclusion of the 5th hole. Players and caddies are the only two people allowed to be on or in the golf cart, and the cart must be purchased by the player from the host facility. To operate the golf cart, the caddie must adhere to the host facilities cart policy.

BREAKING TIES

For ties for 1st place only, the winner will be decided via a scorecard playoff. It will be broken using the last six- holes, last three-holes, and last hole method. If the players are still tied, they will each earn 1st place and split the points. All players who tie for a place other than first will receive a medal for that place. The following policy will only take place for 9-hole divisions. There will be no tie breakers for 5-hole divisions.

AWARDS

Medals will be given out for 1st thru 5th place at every Little Linksters event, regardless of field size.

POINTS CHALLENGE

After each tournament, points will be awarded that will be used to decide who receives an invitation to the series championship. Please keep in mind that points do not carry over and the Points List will reset after each series championship (Spring, Summer, Fall).

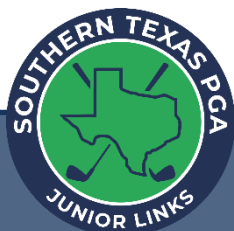

NOTE #1: You must play in a 9-hole division to be eligible to receive points.

NOTE #2: The series Championships are invitation-only events and the field is a direct representation of our entire program based off both the amount of people in both metro area and age division.

SERIES CHAMPIONSHIP QUALIFYING

If a player has “played up” into an older division, and has participated in three (3) or more tournaments in that age division, they must compete in that division for the remainder of the Series, including the Series Championship. If a player earns a spot into the Series Championship in their original division, the qualifying spot will be honored, however, the player will have to compete in the division that they have “played up” into. I.E., if a Little Linksters 11-12 player earns a spot into a Series Championship via that Division Points List, but has played in three (3) or more Junior Tour 13-14 events, they will receive an invitation based on their finish in the Little Linksters 11-12 Division Points List, but compete in the Junior Tour 13-14 division.

Note: This policy only affects Little Linksters, Junior Links, and Junior Tour events. Prestige Tour events will be treated separately.

Section 8: Prestige Tour

PRESTIGE TOUR OVERVIEW

The Prestige Tour is the most competitive program that the STPGA has to offer. It is geared towards the best players in the state of Texas. Started in 2012, this tour has become extremely successful and a great stepping stone for juniors as they prepare for state and national events as well as college golf! This tour is meant for highly skilled players with tournament experience.

PRESTIGE TOUR ELIGIBILITY REQUIREMENTS

There are three (3) avenues to becoming eligible for the Prestige Tour:

- Players must have recorded a score of 85 or better in two STPGA Junior Tour tournaments.
- Players provide the STPGA with results of 85 or better in three outside tournaments.
- Players send a Letter of Recommendation from the player's PGA Professional to Matthew Coughlin (mcoughlin@pgahq.com)*

*Note: When a letter of recommendation is used as the source of eligibility proof, the player's registration will remain in pending until tournament registration closes. If there is a spot in the player's division at this time, the player may be added into the tournament.

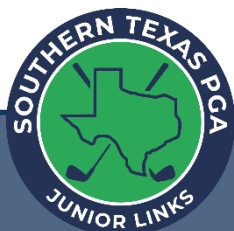

PRESTIGE TOUR PERFORMANCE POLICY

Any player that scores three consecutive rounds of 94 or higher in Prestige Tour tournaments will not be permitted to participate again. A player may regain eligibility into Prestige Tour tournaments by posting scores of 85 or better in two STPGA Junior Tour tournaments.

NOTE #1: Players will be allowed to complete a tournament, should the third round of 94 or higher happen during Round 1 of an event.

NOTE #2: The STPGA reserves the right to waive the performance policy at its discretion (i.e. inclement weather).

NOTE #3: If a player fails to meet the Prestige Tour Performance Policy outlined above and is already registered for future Prestige Tour tournaments, the player will be moved to the Pending Eligibility List.

DIVISIONS

Gender	Age
Boys	13-14*
Boys	15-18*
Girls	13-14*
Girls	15-18*

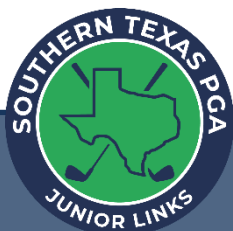

NOTE #1: Since all the boys (regardless of age) and girls (regardless of age) play from the same yardage at our Prestige Tour events, we will combine the two divisions to make a 13-18 division when awarding exemptions, Player of the Year points, and sending results into the Legends Junior Tour for POY, Junior Golf Scoreboard, Global Junior Golf Rankings, and AJGA. These outside organizations vary per event, based on each organization’s requirements.

RULES OF PLAY

- [Click Here](#) to view the 2024 Prestige Tour Hard Card, this will govern all Srixon Billiard Factory Prestige Tour events along with the supplemental “Notice to Players”.
- Play is governed by the Rules of Golf and its Decisions.
- The STPGA permits pull carts, however they will be allowed only at the discretion of the host facility. It is the players’ responsibility to obtain course policy.
- Upon completion of the round, players must immediately proceed to the scoring area to return their score card. Participants are responsible for reporting the correct hole-by-hole scores and to make scores official with the designated scorer.
- Players must NOT wear headphones during play. Listening to music during a stipulated round will result in disqualification.
- When on the course, turn ringers to silent or vibrate mode. Cell phones are only allowed to keep score, retrieve yardage information, and view tournament documents. Respect the host facility’s policy if cell phones are not allowed.
- Each competition shall be deemed to have closed when all scores have been approved by the STPGA Junior Golf staff and published in the form of a results email.

PRESTIGE TOUR UNIQUE RULES OF PLAY

- Caddies will not be allowed at Prestige Tour events.
- There is no stroke limit during Prestige Tour events.

BREAKING TIES

There will be a sudden death playoff for first place. If you can't get back on the course for sudden death due to inclement weather or darkness, holes 10-18, then holes 13-18, then holes 16-18, then hole 18 method for Round 2 scores will be used to determine first place. If there is still a tie the same method will be used for holes 1-9. Second and third place will be broken via scorecard playoff in the same format as above for trophy purposes only, points will be split.

NOTE: If multiple exemptions are handed out in a division, a sudden death playoff will be used to determine exemption winners.

AWARDS

Awards will be given out for 1st – 3rd place at every Prestige Tour event, regardless of field size.

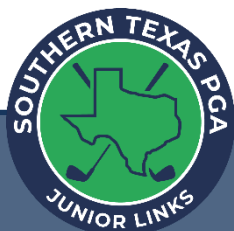

INSPERITY INVITATIONAL TOUR CHAMPIONSHIP
