RULES OF GOLF ADJUSTMENTS

The following rule adjustments do not follow the USGA Rules of Golf. They are modifications that have been made in order to have a competition during COVID-19.

1) Definition of Holed

“When the ball is at rest within the circumference of the hole.”

OR the traditional definition

“When the ball is at rest in the hole after your stroke and the entire ball is below the surface of the putting green.”

All WPGA matches or events must be played on courses where these options are possible. Players **SHOULD NOT** play matches on courses that are using safety methods such as raised cups.

2) Bunkers

When rakes are not present throughout the course, players will be allowed the ability to use preferred lies in the Bunker. The ball must be placed in the bunker within 1 club length not nearer to the hole than that spot. Otherwise players may use the unplayable ball rule to get out of the bunker.

WHAT IF A WPGA STAFF MEMBER OR EVENT PARTICIPANT IS DIAGNOSED WITH COVID-19
