Youth on Course Facility Overview

The core purpose of Youth on Course is to provide youth with access to life-changing opportunities through golf.

The Wisconsin State Golf Association has proudly partnered with Youth on Course to bring affordable golf to members in Wisconsin.

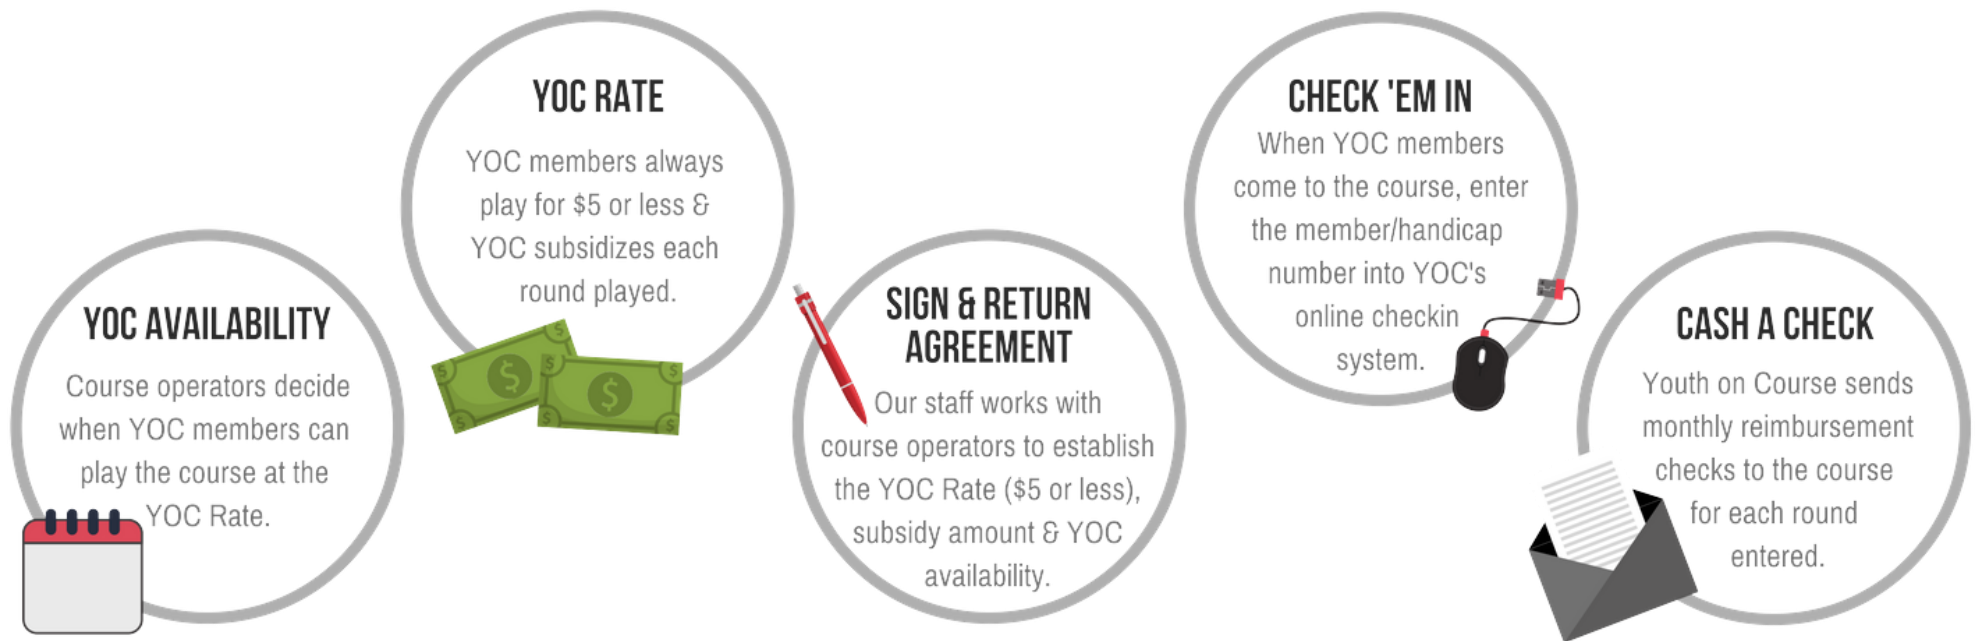

HOW IT WORKS **FOR KIDS**

Youth ages 6-18 become a member of the WSGA by registering online. They get a membership number and can begin establishing a handicap. Youth who participate in Youth on Course are all “course ready.”

Within a few weeks, they receive a Youth on Course member card in the mail. The Youth on Course card gives members access to all participating courses in the United States. As a member, they play for \$5 or less at participating courses during designated times. There is no limit to how often members can play using their Youth on Course card.

HOW IT WORKS **FOR COURSES**

We ensure that Youth on Course members - ages 6-18 - always pay \$5 or less to play golf at participating facilities.

Youth on Course members who have signed up through the WSGA and have been given Youth on Course membership cards with membership numbers can arrive to the course and play golf during the designated times for \$5 or less.

TESTIMONIALS

“The juniors in the Sacramento Area (and their parents) LOVE Youth on Course. The program absolutely drives more youth onto the golf course, and is creating more lifelong golfers in our area.”

-Mike Woods, PGA Director of Golf - Haggin Oaks Golf Complex -
Sacramento California

“Once we began, it took no time at all for our youth rounds to grow. Our youth play has increased three fold and continues to do so. Another benefit is we are seeing more families coming out versus individuals. Our demographics have begun to change to a younger clientele and there is no doubt in my mind Youth on Course has a hand in that change.”

-Gilbert Urbano, Course Manager- Emerald Lakes Golf Course -
Elk Grove, California
