SECTION A – LOCAL RULES

1. Out of Bounds (Rule 18.2)

- (a) A ball is out of bounds when it is beyond any wall defining a boundary.
- (b) A ball that is played from one side of a road which is defined as out of bounds and comes to rest on the other side of that road is out of bounds. This is true even if the ball comes to rest on another part of the course that is in bounds for other holes.

2. Penalty Areas (Rule 17)

- (a) Opposite Side Same Distance Relief for Red Penalty Areas
The Additional Local Rules sheet will specify which (if any) red penalty areas have a same distance option on the opposite side. Model local rule B-2.1 will apply only to the penalty areas that are listed.
- (b) Opposite Side Relief Where Ball last Crossed Edge of Penalty Area Where the Edge and Boundary of Course Coincide.
When a player's ball last crosses the edge of a penalty area where the edge of the penalty area and a boundary of the course coincide, that edge is deemed red and opposite side relief is available under model local rule B-2.1.
- (c) Dropping Zones for Penalty Areas.
Where a dropping zone is marked for a Penalty Area, it is an additional option under penalty of one stroke. The dropping zone is a relief area under rule 14.3, meaning a ball must be dropped in and come to rest in the relief area.

3. Back-on-the-Line Relief. Playing from Outside the Relief Area.

Model Local Rule E-12 is in effect when taking Back-On-the-Line Relief under any Rule. Note the Back-On-the-Line options in Rules 16.1c(2), 17.1d(2), 19.2b and 19.3b.

9. Temporary Immovable Obstructions (TIO)

Model Local Rules F-22 re Temporary Power Lines and Cables and F-23 re TIO are in effect.

- (a) Dropping Zone Policy. In the General Area, when a player's ball lies in or on a TIO or so close to the TIO that it interferes with the stance or area of intended swing and relief is required, the player may:
 - proceed under any of the options allowed under the TIO local rule or Rule 16.1 or,
 - if dropping zones have been marked, as an additional option, the player may drop the original ball or another ball, without penalty, in the nearest dropping zone. This is true even if it is nearer the hole. The Dropping Zone is a Relief Area and a ball must come to rest in and be played from the relief area.
- (b) Either Side Relief. The Additional Local Rules sheet will specify which TIO have an either side option. Either side relief is restricted to line of sight relief only and is not available when the player chooses to operate under Rule 16.1.

In the absence of mitigating circumstances, a group is liable to be 'monitored' or 'timed' if it is in excess of the time allowed and, in the case of second or following groups, 'Out of Position'. The time allowed will be determined by the Tournament Director and will be published on the official notice board.

Out of Position means:

For first groups or a group after a starting interval: Over the time allowed for the holes completed.

Following groups: More than the starting interval behind the group ahead AND over the time allowed.

When being 'timed' a player will be given a "Bad Time" if they exceed the maximum time allocated per shot which is 40 seconds. 10 extra seconds are allowed for the first player to play:

- On a par 3 hole
- An approach shot; and
- A chip or putt

A player is entitled to one "Time Extension" per stipulated round. This "Time Extension" entitles a player to a further 40 seconds over the maximum time allowable for a given stroke. The extension must be very clearly communicated to the timing Official and can be requested at any point up **until the maximum time allowable for the given stroke has expired.**

- (3) An individual player, or two players within a group of three, may be timed instead of the entire group.
- (4) The EPT Pace of Play policy will be applied on a per-tournament basis. Therefore two or more 'Bad Times' in the same tournament will incur a penalty.
