Out of Position

First Group: at any time during the round they; (a) exceed the allotted time to play.

Subsequent Groups: at any time during the round they; (a) exceed the allotted time to play and; (b) reach a par-3 hole that is open and free of play, reach a par-4 hole and have not played a stroke from the teeing ground before the hole is open and free of play, or reach a par-5 hole and all players in the group have not played a stroke from the teeing ground before the hole is open and free of play.

NOTE: The Committee reserves the right to time a group when the Committee deems it necessary.

Further, if a player is determined by the Committee to be unreasonably slow, he may be timed individually at the Committee's discretion regardless of whether his group is out of position OR overtime.

Timing

A group falling behind or just out of position, if possible, will be warned. However, timing may commence without a warning. If possible, after a warning, a group will be monitored to determine if player(s) need to be timed individually. When a group will be timed all players in the group will be informed. Timing could occur on any hole, including the finishing holes of a round or the next hole after a warning. Other than on the putting green, timing of a stroke begins when it is the player's turn to play without interference or distraction. Time spent determining yardage counts in the time taken for the next stroke. On the putting green timing begins after a player is allowed a reasonable amount of time to mark, lift, clean and replace his ball, repair ball marks and other damage or remove loose impediments on his line of play.

A player has 40 seconds to play a stroke, with an additional 10 seconds (total of 50) when first to play:

- (a) a stroke on a par-3; (b) a second stroke on a par-4 or par-5;
- (c) a third stroke on a par-5; (d) a stroke near the putting green or;
- (e) a stroke on the putting green.

A player being timed, who exceeds the applicable time to play a stroke will be informed as soon as practicable.

Penalties During Round

First offense - no penalty. Second offense - one (1) penalty stroke.

Third offense - two (2) penalty strokes. Fourth offense - DISQUALIFICATION.

NOTE: Any timings exceeding the applicable time to play a stroke (bad time) will be carried over throughout the round.

Appeals

Any appeal of a penalty must be referred to the On-Site Rules Committee immediately upon completion of the player in question's round. The On-Site Rules Official's decision shall be final. If the player in question does not appeal immediately upon conclusion of his round any penalties shall stand.
