ATTENTION SPECTATORS

Your support is appreciated. Please walk or drive cart on path or in the rough. Stay 30 yards from players. It is important to stay even or ahead of players remaining clear of the fairway, **especially behind the players.** It is OK to help look for balls, carry umbrellas and water. Under no conditions are you allowed to offer advice to a contestant during the round. Talking to players is not advised. Please be mindful of the high level of concentration needed by the participants to do their best. Do not interfere or distract players. Thanks again for your support of Iowa PGA junior golf.
