RE: NFPGA Back2Golf - Player Responsibilities

Social Distancing & Gatherings

Social Distancing is critical to NFPGA Back2Golf. Strict social distancing practices will be required at all Section and Chapter tournaments. Also, this means players need to not gather in groups at registration, practice facilities, clubhouse, and scoreboard area.

Player Sanctions

Any player who purposely disregards policies outlined in this memo or fails to notify the Section Executive Director they have been diagnosed with COVID-19 shall be subject to Code of Conduct review by the Section's Board of Review.

Social Distancing & Gatherings

Social Distancing is critical to NFPGA Back2Golf. Strict social distancing practices will be required at all Section and Chapter tournaments. Also, this means players need to not gather in groups at registration, practice facilities, clubhouse, and scoreboard area.

No Play & Pre- Event Screening

Players must take their temperature before heading to the course. If they have a temperature of 100 or higher, they must stay home. Also, if players have a cough and/or trouble breathing, they must stay home. Players diagnosed with COVID-19 or know they have been exposed to COVID-19 are not permitted to participate in any Section or Chapter tournament for 14 days regardless of symptoms.

Reporting Illness/Exposure

Players after being at a Section/Chapter tournament that becomes ill or learns they had been exposed to COVID-19 should immediately contact the Section Executive Director at (386) 871-3067.

Warm-up

Players shall arrive at the practice area no earlier than 1 hour before their scheduled starting time. It is recommended that players should use the range for 30 minutes and then use the putting green for the remaining time.

Leaving Facility

Players should leave the facility upon completion of their round. Exception: if following the final round of the tournament, a player is in contention for first place or a qualifying position.

Hydration

Players should bring their water bottles for proper hydration. Restrictions are lifted for personal coolers containing water. If a course has pre-wired water stations to fill water containers, players shall use their gloved hand for water access.

Personal Protection Equipment/Supplies

Players should bring with them their hand sanitizer/wipes. Also, players are encouraged to bring their face mask and wear when interacting with players and staff when social distancing is challenging.

Handshaking

The handshake is a great tradition of golf. However, it is strongly discouraged, and players should consider an alternative greeting or end of round recognition.

- Tipping of the Cap
- Thumbs Up
- Display Peace Sign
- Fist to heart
- Namaste Greeting
